

From the *Decatur Democrat* (Adams Co, IN) dated September 2, 1880:

DIED - Reed - Aug 27th, 1880, Mary E. Reed; aged 20 years, 11 months, and 24 days. She leaves a father and mother, Jesse and Alice Williams, one brother, sisters, husband and two little children to mourn. The deceased was a probationer of the Mount Pleasant class. She was satisfied during her sickness she could not recover. When nearing the crossing she became very happy and shouted the praises of God. The ancient assurance, mourning ones, "My grace is sufficient for thee," belongs alike to all times and places and persons. Blessed words! They enable us to anticipate without impatience a happy reunion of ties now sundered. J. B. C.

[NOTE: She is not listed in the Reynolds Cemetery book by Nola Rains]
