

OBITUARY John Spangler, youngest son of Jacob and Margaret Spangler, was born February 21, 1876, in Adams county, Indiana, and died August 19, 1894, aged 18 years, 5 months, 28 days. His mother having preceded him; 3 years and 6 months to the spirit world. He leaves father, four brothers, two sisters and many relatives to mourn their loss. He was converted in his 16th year and joined the Evangelical Association of which he remained a faithful and devoted member. That he was a young man of exceptional fidelity and amicableness will be corroborated by all who knew him. He was kind to his associates, loving to his brothers and sisters, obedient to his parents. Having revealed his call to the ministry his father was arranging to send him to college in the near future; but Providence saw fit to cancel this contemplation. Peace to the dust. Enjoy thy crown. May God bless the sorely bereaved family. Funeral services by Presiding Elder D. S. Oakes and the pastor, J. Wise.
