# What Every Family Should Know —

Do members of your family know how to report a fire by telephone? And how to make other emergency calls? You can find this information in the front part of this directory under the heading "Emergency Calls."

LET THE PUBLIC KNOW WHAT YOU HAVE TO SELL

*When in doubt about a  
telephone number*

look in the telephone  
directory first. That  
helps you, helps others,  
and helps telephone  
service.

*Be A Good Party Line Neighbor*

LOSS of TIME  
and  
INCONVENIENCE ...

resulting from calling wrong  
numbers can be avoided by  
consulting the current direc-  
tory before placing a call and  
by avoiding the use of obso-  
lete directories.

ARE YOU MOVING?

PLEASE—

Let us know your telephone needs as much in advance of moving as you can.

Restrictions on telephones vary with conditions and circumstances and they may or may not affect your requirements.

TO SAVE TIME AND TROUBLE  
Be Sure of the Number Before You Call
