Daniel Little Admr with the will
annexed represents to the Court that
among the assets of said Estate
is an undivided half interest in two
nurseries of fruit & ornamental trees
one situate in Washington County near
the Town of Carleton and the other
near Ladoga in the County of Montgomery
all in the State of Indiana which are
appraised at the sum of \$1500. The one
at Carleton being operated by said
decedent & G B Hobbs under articles
of partnership stipulating that the same
shall continue for the term of three
years from the 10th day of April 1878
that the surviving partner claims
that a withdrawal of the interest of the
Estate from the firm will work great
harm to him & the heirs of said Estate
& also the Administrator believes
that it will be to the interest of said
Estate to allow the said nursery to
be operated under the contract till
after the bees have ceased in the
Spring of 1890. at which time it is
confidently believed that enough will

he realized to enable the estate to pay
all debts against the same and thus
obviate the necessity of a sale
thereof.

He further shows that in his
opinion & in the opinion of the heirs
of said estate the interest in the
Ladoga Nursery can be sold to the
best advantage at private sale
without notice.

He therefore asks the
Court for an order to postpone the
sale of the Ladoga Nursery till
after the sales have ceased in the
Spring of 1880. & that the same be
allowed to proceed in business
under the ^{same} contract of co-partnership
till that time and for an
order to sell the Ladoga Nursery
at private sale without notice.
