

The original probate files of Hendricks County, some from as early as 1823, are very fragile and are in storage. You are encouraged to use these digital images instead of seeking the originals as they are as complete, and more readable in many cases, than the originals.

I took this Guardianship with the express understanding that I was only to act until Charles Ayers should arrive at the age of twenty one years, which was on the 24th day of April 1879; that at that time I should resign.

My health is bad, and my wards reside a number of miles from me. They have no father or mother and need a guardian who can give them personal attention, which I am not permitted to do, unless I hazard my health and put the estate of my wards to too much expense.

I therefore respectfully resign my trust, and ask to be discharged as Guardian.
