And said Executor further says that previous to making last report and as reported at the June term 1879, he had loaned out the sum of \$632⁵⁵ money belonging to the Estate, to John C and Jesse T Matlock, said loan being evidenced by two promissory notes executed by the said Matlocks; that the said John C and Jesse T Matlock afterwards, or were at the time of making said loan insolvent, although unknown to said Executor, that he the said Executor supposed and had good reasons to believe at the time of making said loan and up to the time of the insolvency of the said John C and Jesse T Matlock was made Public, that they the said Matlocks were solvent, and that said loan was amply secured. In the matter of the Estate } No. Land Sale.
of John Baker, deceased. }

William Henton represents to the Court that he is the Executor, duly ^{and} legally qualified, of the last Will ^{and} Testament of John Baker, deceased. The said Executor says that the said John Baker departed this life in the year 1868, testate, and in so far as the Will of said John Baker relates to his real estate the same reads as follows, to-wit:

"I also direct that all my stock in trade be sold at public auction or otherwise, as may seem best, and that all the real estate of which I shall die seized or possessed, shall be sold by my Executors for its reasonable value for cash or such credit, ^{and} the amount thereof secured in such manner as is usual in like cases to insure the full and punctual payment thereof and to effectuate this my written intention, I hereby vest my Executors with full power and authority to dispose of my real estate in fee simple in as full and ample^a manner in every respect as I could myself do if living. Provided, however, if my beloved wife be living at the time of my decease, then, and in that case, I direct that the whole of my household furniture and the house in which we now live

and the two lots on which the same is situated shall be and remain in her possession, and that she have a support out of the proceeds of my entire estate during her life."

The Executor says that the said John Baker died the owner of Lots one (1) and two (2), in Block fourteen (14) in the town of Danville, Hendricks County, Indiana, which is the real estate referred to in the Will, as above set out.

He also says that Susan Baker, wife of the said John Baker, has departed this life, and the conditions have been complied with as set out in said Will, and the time has arrived when said real estate ought to be sold, as directed by said testator.

Wherefore he prays for an order of Court directing him to sell said real estate at private sale on a day certain, and if not sold on the day fixed that said sale may be continued from day to day, at private sale, until sale is made.

In the matter of the Estate of Final Report
of John Baker, deceased

Comes the Executor,

Milton Hentow, by Hogate & Blank his Attorneys
and shows to the Court the affidavit of
Julian D. Hogate, Editor of the Hendricks
County Republican, a public weekly news-
paper of general circulation, printed and pub-
lished in Hendricks County, and of from which
affidavit it appears that a notice of the filing
of ~~the~~ final report herein had been given in
said newspaper for two weeks in succession, the
first of which publications was on the 3rd
day of November 1892 and the last on the
day of November 1892. Said affidavit is in the
following words: (H. J.) And now said
Executor files an affidavit from which it
appears that a like notice was posted at
the Court House door of said County on the
1st day of November 1892. Said affidavit
reads as follows: (H. J.)

And now the final report herein is submitted
to the Court for examination, approval and
final judgment; and after examining the
same and being fully advised in the premises
the Court doth say and find that said final
report was filed in this Court on the 1st day
of November 1892, and by an indorsement in
writing was set for hearing on the 22nd day
of November 1892. The Court further finds
that said Executor is chargeable with the
sum of \$8.315.²⁰ and entitled to credits on
his vouchers filed and approved in the sum
of \$1.045.⁰⁶ leaving a balance of \$7.270.¹⁴

Being \$4,171.²⁶ in cash and a balance of a
note for \$1,408.⁶⁰ against H. H. Baker, an heir
and a note for \$1,326.⁷⁸ against Eliza B.
Witherow, an heir of decedent, which cash is
deposited with the Clerk of this Court to be
distributed to the heirs of said decedent, and
said notes deposited with said Clerk to be de-
livered to said H^{rs}. H. Baker, and said Eliza
B. Witherow, on the order of the Court.
And the Court finds said report in all things
correct, and approves the same. Said report
reads as follows: (H. I.)

It is therefore ordered, adjudged and
decreed by the Court that said final report
be and the same is hereby in all things ap-
proved and confirmed, said estate is now
declared finally settled, and said Executor
is fully and finally discharged from his
bond and trust.

And now comes Richard F. Hathaway,
an heir of the estate and a legatee under the
will of said decedent, and files a petition
as follows: (The Clerk will here set out
the petition in full except the caption)

And the Court having examined said
petition, and heard proof, and being fully
advised in the premises finds that the matters
and things set out in said petition are true;
that the said sum of \$14,524.⁹⁵ paid into Court
as and for John William Baker ought be
distributed to William H. Baker and Eliza
B. Witherow each one fourth; to Richard F.
Hathaway, John Hathaway, C. Alice Hunt and
Fred C. each one sixteenth; to Cora E. Richard

Ida L. Wishard and L. D. Wishard each
one twelfth part thereof,

And the clerk is ordered out of said sum of
\$1454.⁰⁰ to pay to himself the sum of \$1.⁰⁰, ad-
ditional cost, and pay to Hogate & Blank the
sum of \$10.⁰⁰ for legal service in relation to this
distribution so that the sum of \$4,171.²⁶

so paid into Court shall be paid out as follows:

To David Hadley, Clerk	1 55
" Hogate & Blank, Attorneys	10 00
" William H. Baker	406 06 $\frac{1}{2}$
and deliver to him his note	
" Eliza B. Witherow	487 88 $\frac{1}{2}$

is ordered to take receipts on his order book.

In the matter of the Estate

Comes the Executor of said
Estate by his attorneys, and files a petition in
the following words: (Here insert in full)
* And the Court having examined said
petition, and hearing proof and being fully
advised in the premises, finds that the prayers
of said petition ought be granted.

It is therefore ordered by the Court that
said Executor proceed to sell at public or
private sale without notice for the best sum
he can get the said two notes of Jesse T. and
John C. Mallock, and charge himself with
the amount he may realize from such
sale, and take credit in his report to be

Attys for Exr.

State of Indiana. Hendricks County:-
In the matter of the Estate
of John Baker, deceased

Milton Newton, Executor
of the Last Will and Testament of John Baker,
deceased, respectfully represents to the court
that on the 1st day of June 1879 he loaned of the
funds of said estate to Jesse T. Meattock the
sum of \$276.⁸⁴ with John C. Meattock as his
security; and that on said date he loaned
of the funds of said estate the sum of \$355.⁷¹
~~with~~ to John C. Meattock with Jesse T. Mea-
tock as security. Both of said notes draw eight
per cent interest from date; that at the time he
so loaned said money to the said Meattocks, he
thought and it was so reputed that the said
Jesse T. and John C. Meattock were good and
solvent; that other persons were at that time
loaning them money, and that The First National
Bank of Danville Ind. and the Banking House of
Hadley, Homan & Co. were loaning them money
all on the same security. But he says the fact
is that the said Jesse T. Meattock and John C.
Meattock were at the time of loaning to them
said money insolvent, although the same was
not known to this Executor. He says that in

1880 the insolvency of the said Meattocks became known, and he consented with the other creditors that Trustees might be appointed to whom the said Meattocks should convey their property, in trust for their creditors, and that said property should be converted into money and paid ~~pro rata~~ to the creditors of the said Meattocks. That this was carried into effect and he received on said notes the following amounts.

Cash	287.71
" apl. 21. 1881	100.35
" June 3. 1882	33.45
" Jan 24. 1884	33.45

Total amount received on said notes \$454.96

which deducted from the face value of said notes, ^{leaves} the balance of face value, viz: \$177.⁵⁹.

He further says that in his current report in said Estate filed in this Court on the 16th day of June 1881 he petitioned the Court to relieve him from from accounting for interest on said notes from the 18th day of February 1880 - (he having before accounted for interest up to that date). That the Court approved said report and the same was entered on the order book of this Court so far as the debtor and creditor and

balances of said report are concerned, and also approved a petition to pay a special legacy, but that by the misprision of the Clerk he did not enter on the order book an order relieving him said Executor from accounting for interest on said notes. He also says that the trust estates of the said Meathcock are not yet settled, and being all in real estate (grave yard lots, and an out lot in the suburbs of Indianapolis) it may be some years before the balance of the trust estate can be converted into money, and a final dividend paid; that the trustees think no more than 15 or 20 per cent. can yet be realized out of said trust estate; that the settlement of said notes are all that prevent a settlement of said estate of John Baker, which has now been pending in this Court for settlement since day of 1868; that many of the heirs are anxious that he should settle the estate regardless of the Meathcock notes, and he believes it would be to the interest of said estate to permit him to sell said notes without recourse, for the best sum he can get for them. And he asks for an order accordingly.

And the said Executor further says that

there came into his hands from said estate, and as a part of the assets thereof, a note for \$60.⁰⁰ given to the said John Baker in his lifetime, by Samuel R. Craddick now deceased; that the estate of Samuel R. Craddick was hopelessly insolvent, and paid nothing on the general claims; that he is charged on the Inventory in this estate with said note of \$60.⁰⁰ and has charged the same all the time in his current reports. He says that he has no prospect of ever getting anything on said notes, and that each of the heirs as he can communicate with have requested him to settle said estate regardless of the Craddick claim.

Wherefore he asks to be relieved from the charge against him of said note of \$60.⁰⁰ on Samuel R. Craddick.

Wittore H. Creton.

Said Executor says that of the above balance of \$5532.20, that \$5339.05, is loaned out on Mortgage and Personal Security and to responsible Parties without security, at Six, Seven and Eight per cent interest, per annum; That \$214.¹⁷/₁₀₀, is yet unpaid from the Malloch Estate, Said Estate still being in the hands of the Assignee, that he has received nothing from said Estate last named, since making his last Report. Said sum of \$214.¹⁷/₁₀₀, being charged to him said Executor and Trustee, as uninvested funds, without interest, as per Order of the Court made at the June Term 1887, and entered of record in Order Book No. 10, Page 276, thus making a total balance in his hands of \$5553.20, as shown above, Said Executor further says that he has loaned out from time to time all moneys coming into his hands belonging to said Estate, except a small amount necessary to be kept in his hands for the use of the widow and for the necessary current expenses of the Estate, at as large rates of interest as possible for him to do, so that it would be secure to the Estate, Said Executor asks the approval of his Report and Administration of said Estate and that further proceedings be continued until such time as the Court may direct.

State of Indiana Hendricks County, set:

The undersigned, Executor and Trustee of the Estate aforesaid, on oath say... that the above and foregoing Report ~~in partial settlement~~ of said estate, contains a true and complete exhibit of his administration of said estate ^{Since last Report} to this time, and a correct and complete statement of the receipts and expenditures therein.

In the matter of the estate of

comes now

Wilton Benton Executor of said estate
and asks the Court to make him
an allowance of one hundred dollars
for services rendered in settling said
estate to this date.

He says that he cannot make a de-
tailed statement of services rendered
for the reason that a large part
of the assets belonging to said
estate consisted of outstanding
drug accounts, notes &c amounting
to near \$2500. in the aggregate: that
these accounts ranged in amounts
from ten cents to as many dollars,
and that the debtors resided in all
parts of Hendricks County and else-
where: that for the last three years
he has spent much time and trouble
in collecting the solvent claims, and
in looking after the interests of the
estate, and he says that he believes
that his services thus rendered are
reasonably worth the above sum
of \$100. and he asks that the same
be allowed him. Milton Benton
