To the honorable James W. Blaine Judge of the Hendrick
Probate court

The memorial of John Lawrence administrator
of the estate of Daniel Barker Deceased respectfully sheweth
that the amount of the estate of the said deceased of
every description which has come to his hands to be
administered including debts due to the estate that
can possibly be collected is about \$116.00

The debts due and owing by the deceased
so far as has come to the knowledge of
your memorialist is in all with out
the expence of administration \$196.90

Shewing a deficit of \$80.90

Such is the condition of the estate
of the deceased and the amount of debts outstanding
against it so far as the same have come to the
knowledge of your memorialist.

From the above statement it clearly appears
that the whole property of the said deceased which
has been made assets in the hands of your memo-
=rialist to be administered is insufficient to satisfy
the debts and demands outstanding against it.
Your memorialist therefore prays that he may be
allowed to settle the said estate as insolvent
in conformity with the statute in such cases provided
that the creditors of said estate may be notified
accordingly and that he may have such other and
further relief as may be consistent with justice
and equity; And your memorialist will pray &c
