Comes the administrator herein and shows to the Court that on the 10th. day of May 1885 his decedent Joshua F. Barker departed this life in the County of Hendricks and State of Indiana with a personal estate sufficient to pay all his indebtedness, and a large amount of real estate in the county and State aforesaid.

The administrator further says that on the 22nd. day of March 1886 the widow of the said Joshua Barker departed this life at her home in said county.

He further says that a decent regard for the memory of the deceased requires that a tombstone or monument should be erected at the grave of the said Joshua F. Barker, and that in so doing he believes it to be right and just that one should be erected that will mark the graves of both the decedent and his wife.

Wherefore he asks an order of the Court to enable him to purchase and set up at the graves of both of said decedents a monument that shall not cost a greater sum than \$100.00.

Elwood Stanley, the administrator with the Will annexed of the estate of Joshua F. Barker deceased, now comes and shows to the court that the will of said decedent contains the following provisions: in Item No. 3. "And I further direct that my executor (in addition to all other sums of money and stock thus bequeathed to my son Elihu F.) pay all sums necessary to maintain him my said son in some good school or college, for one year after my decease."

And the executor says he does not know the proper construction to be put on the said clause of said will, for the benefit of said Elihu F. Barker, whether he shall have the support from the estate for one school year, only, or for a calendar year of fifty two weeks, and he desires the direction of the court, that he may properly execute the will of said decedent, and be protected in the execution of his trust.

Therefore he asks, after notice to the said Elihu F. Barker, that this cause may be considered, and directions given.
