that they find that the deficit of Personal assets of the
decedent will be about Two thousand dollars as app-

which shews the stark situation of the whole estate
They further shew that said decedent died seized of the

it (B) herewith filed (& here to be inserted) which said
Real estate was by Edmund Clark & James Sleagun
appraised at the sum of Eighteen hundred dollars
as more fully & ac-

seen by the Court from the above statement that the
estate of decedent must be insolvent for a small
amount if no other claims appear than those al-
ready on file & the others of which them admits have
been notified. Wherefore your petitioners pray that the
Court will grant them an order to settle the es-
