Mr Geo Russell

Sir your letter came to hand last evening or I just come home you say you would like to see my face there once more I suppose you would rather see money from me than my face I would rather you could but the thing just so I purchased 30 acres of land last spring for which I had to chalk over \$400. dollars the first day of this month or there the land the error operation caused me to lose some \$200 dollars and the land trade has given me chase but I will stick to my trade for all of that you need not think that I don't care for you for all that you come on next in defect there will be a time yet he never come come in that will fetch the money at a fair price for the balance there was money lost on all your side ship if you can get the money that it has cost let it go there will be no hard thoughts on the matter I am going to raise some money soon

soon and come and see you. It is
pretty tough on me just now with
the patent. I have saved my last
trade & I will mixed in the car
trade just as soon as possible
Respectly
Lindley Blair
