Margaret A. Darnall, Guardian  
of the above named Minors respectfully  
submits to the Court the following  
report of her proceedings as such  
Guardian

As shown by her last  
report filed herein she as such  
Guardian had no money or personally  
on hand belonging to her said wards.  
And she further says that except as  
in the manner hereinafter stated no  
money has come into her hands as such  
Guardian since her last report. Said  
Guardian further shows to the Court  
that she is the mother of said minors.  
and that she and her said wards had  
lived as one family on the farm owned  
by them as tenants in common as fully  
set forth and explained in her last  
report herein numbered 2, and she  
further shows that since her last  
report said farm has been partitioned  
and the interest or share of herself  
as well as of her said wards set off  
and assigned to each respectively. And  
she further shows to the Court that since  
the partition of said land as aforesaid

she and her said words have continued to live as one family; that she has supported, educated and maintained her said words, and that since the division of said land - as the share of each is only about eighteen acres the rent of which would not support one of her words - she has continued to cultivate and control her interest as well as the interests of her said words together, there being no other means by which she could support them, and from the products thereof she has maintained them as above set forth. She has kept the same in repair, paid the taxes thereon, and paid the expenses of the partition of the farm amounting in all, since her last report to the sum of \$153.33 vouchers for which she files herewith numbered from 1 to 4 inclusive. And she believes that it was to the best interest of her said words to have the same managed as above set forth, and that their share respectively of the products of said farm have been used in their support and education said guardian not being able to support them in any other manner. And she further says that her said word Laura A. having intermarried with Jonathan S. Hadley a man of full age since her last

report herein she files the receipt  
of said Laura A. and her said

Margaret Ann Darnall  
Guardian of the above named minors  
respectfully submits to the Court the  
following report of her proceedings as  
such Guardian:

As shown by her  
last report filed herein she as such  
Guardian had paid out the sum

money or personally which had come  
into her hands as such Guardian.

And she further says that except as  
in the manner hereinafter stated no  
money has come into her hands as  
such Guardian <sup>since her last report</sup>. Said Guardian further  
shows to the Court that she is the  
mother of said minors; that she and  
said wards are the owners of a farm  
consisting of One hundred and fifty four  
acres, she being the owner of the undivided  
one third, and her children, said minors,  
being the owners of the undivided two thirds  
thereof; that she and her said children

have the same managed as above  
set forth; and that their share of the  
products of said farm has been con-  
sumed in their support and education,  
she said Guardian not being able to  
support them in any other manner, her  
interest in said farm being about  
all she is worth. And she further says  
that her said wards Cindarella and
