March Term 1879

In the Estate of
Margaret Ann Darnall dec^d

Medville Dinsinger Executor of
the will of said deceased.

represents and shows to the Court
that the personal property of said Estate
consists chiefly of live stock and
farming implements. the most of
which is necessary to properly
carry on the farming & cultivation
of the Real Estate of James P
and Lewis W Darnall
who by the terms of ^{the} will of said dec^d
Take all of said personal property
subject to the debts of the Estate.

— that the debts so far as the same
have come to his knowledge amount
to about the sum of \$5000 ~~and~~

that the said James Paul
Laws & Darnall have enough money
to pay the larger part of said
indebtedness which they propose and
desire to use in such way & thereby
avert the necessity of selling said
property - That much of said
live stock is young and in a growing
condition & the said James P &
Laws & Darnall having plenty of grass
and other feed which would go to
waste or be of but little value without
such stock to eat it. And ^{therefore} said
Executor believes that it will be to
the interest of the Estate to appraise
sell all of said personal property
or so much thereof as may be
necessary to pay the debts of said
Estate & expenses of Administration
~~as the same be~~ at private sale for
not less than the appraised value
thereof - from time to time as it may be

ready for market & a reasonable
price can be obtained therefor - the
said James P & Lewis W Darnall
proposing & this order asked upon
the condition that they will furnish
feed & grazing & send stock & take
care of the same without cost
to the State

Wherefore he asks for an
order accordingly
