pursuant to the order made in this case,  
he gave notice that he would sell the un-  
divided two-thirds of the following describ-  
ed real estate in Newsells county and  
State of Indiana to wit: the north east  
quarter of the south east quarter of section

also nine and one half acres described  
as follows to wit: being a part of the N $\frac{1}{2}$   
of the S $\frac{1}{2}$  of section 18. in township 14.

Administrator of the above estate shows to the Court that heretofore by order of this Court on petition to sell lands to pay debts, he sold all the Real Estate of said decedent, and took one third in money, one third in note due in 12 months and one third in note due in 18 months from the day of sale. That the first of said notes is due on the 12<sup>th</sup> day of March 1877, and that on said day the same will be paid; the other note falls due six months from March 12, 1877, but the purchaser of said Real Estate will pay said last mentioned note on the 12<sup>th</sup> day of March 1877, provided the Administrator will discount said note four per cent per annum, that is, two per cent for the six months. And the Admr. shows that said purchase money note draw 6 per cent interest, and that he believes it will be to the interest of said estate to discount said note four per cent per annum, that the said estate may be settled, and the debts the sooner paid off as the creditors are anxious for the money.

And he asks an order accordingly.
