Matters of the Estate of
Jordan Denny deceased

James G. Miles Applies to be appointed administrator of the estate of Jordan Denny, late of the County of Hendricks in the State of Indiana and says under oath, that the said Jordan Denny departed this life in the County of Hendricks and State of Indiana on the 18th day of November 1881 intestate, as he is informed and believes. That said Jordan Denny left no estate in this County to be administered as he is informed, and that letters of Administration were never issued on his estate, his widow and heirs having paid off all claims which existed against him.

And your petitioner further represents and shows that there is now in the hands of the Sheriff of Preble County in the State of Ohio the sum of Seventy Six dollars and eighty four cents, due to the estate of said Jordan Denny which cannot be procured without an administration on said estate, which amount as he has been informed, came in some way from the estate of Lazarus Denny deceased, who was the father of said Jordan Denny dec'd, which sum now belongs to the heirs of said Jordan Denny dec'd three of whom reside in this County.

And as there is no indebtedness against said estate he asks the Court to order that said estate may be finally settled without the expense of making the publications of notices.
