

The original probate files of Hendricks County, some from as early as 1823, are very fragile and are in storage. You are encouraged to use these digital images instead of seeking the originals as they are as complete, and more readable in many cases, than the originals.

Said Guardian further shows the Court that her ward Erinson H. Eaton has arrived at full age and that there is <sup>and was</sup> nothing in her hands going to him; That the balance of her said wards have made their homes with her since her last report and have been dependant upon her for their support, clothing &c and that she has expended more than the balance shown in her hands for their maintenance wherefore she asks to be allowed said balance to wit

She further represents that her said wards have no estate except about 38. acres of land of small rental value; that the expense of continuing said Guardianship is not justified by the size of the estate. wherefore she now resigns her said trust and prays the Court to accept the same to approve this report and order her discharge from all further liability herein.
