spoke with much interest. He would not do
anything to offend him. I told him it p
duced much trouble & stated it to him
that he never had a tooth larger than a
smaller. I think it was mentioned
here this day that it pained him.

Finally it was decided that he should be allowed to go to the city of
Mexico and remain there for a time. It was
also agreed that he should be allowed to
travel by land or sea as he chose.
He is to be allowed to go to the city of
Mexico and stay there as long
as he chooses. He will also be allowed
to travel by land or sea as he chooses.

After a ride of 10
miles in 21 pts. intended
travelled with very little rest and who was
travelled with him to and from the station
had no time and took coffee with the Indians
who are anxious to go to the city of
Mexico and stay there as long as he chooses.
