Said Administrator says a large part of
said balance is collected and on deposit
in Bank and would have been paid out on
Claims - but there are claims known to
be outstanding which are not filed and
one large claim filed which is not yet
admitted or adjusted and the cash on
hand cannot be paid until all claims
are ascertained - That the outstanding
debts amount to a much larger sum
than the money in his hands and it will
be necessary to sell all the real estate
of said Estate and then it may not be
solvent. That until all the assets are
collected and the expenses of administra-
tion fully ascertained he cannot safely
pay any debts. Wherefore he asks that
the Estate be continued

Petition to sell land

Filed March 31st 1881

Ordered Haynes

State of Indiana } In the Hendricks Circuit
Hendricks County } Court, March Term 1881

In the Matter of the Estate of Madison G
Hadley Deceased -

Petition to sell Land to pay
debts and to sell undivided interest
of deceased in partnership property of
the mill firm of Hadley Haynes
at Private Sale.

(The Petition and Statement of the
undersigned respectfully shows to the Court
that I am the Administrator of the Estate
of said Madison G Hadley - duly appointed
and qualified to act as such -

That as such Administrator there has come
into my hands as shown by Inventory on
file personal property amounting to \$644.35 -
To which is to be added the excess of
sales over appraisement

417.35

And from which the widow of said
deceased is entitled to \$500 -

That I know of no other personal property
of said deceased except some old notes
and accounts which are not considered of
any value - and except further the interest
which deceased might have on final settle-
ment of certain partnerships in which he
was a partner and the value of which cannot
be estimated or approximated

There are outstanding against said Estate

debts amounting to about \$2500 - and in addition thereto said estate is liable for certain debts of Hadley & Haynes as partners, and possibly other partnership and security debts not yet presented.

Said decedent died intestate and left no Father, Mother, or Children surviving him his widow being his only heir at law - Dint. Elizabeth Hadley, who agrees to dispense with the Notice required by law, and files her written answer herein and assents to the sale of the Real Estate of her said husband without waiving her right to a full one third of the whole value thereof she being of full age. Dint about 41 years

Said Decedent was the owner at the time of his death of the following Real Estate in said County of Hendricks and State of Indiana Dint: Lots No 1 - and 2 - and the West half of lot No 3, all in Block No 16 - in the town of Danville - also the undivided half of Lot No 1 in Block No 7 - in said town and the undivided one half of South part of Lot No 1 - in Crawford's addition to said town - and also lot No 12 in Job & Davis addition to said town - and the undivided one fifth of the North 79 feet of lot 6 and East $\frac{1}{3}$ of lot 7 in Block 28 in said town of Danville

I would further state that said deceased was a Partner with one William F Haynes in the ownership and operation of a mill

for grinding wheat and corn into flour & meal
with the necessary Engine - Machinery and
property for that purpose - which partnership
Real Estate is described as follows - Part of
the $E\frac{1}{2}$ of $N\frac{1}{4}$ of Section 9 - Township 15 - North -
Range 1 West. bounded by commencing where the
East line of Jefferson Street in Danville
crosses the South line of Matlock's addition
to the town of Danville, in the Center of the
Danville and Cartersburg Gravel Road
Thence South 23 Rods - Thence South $36\frac{1}{2}^{\circ}$
East. $13\frac{1}{3}$ Rods. Thence North 22 Rods
to the Center of said Gravel Road - thence
North $36\frac{1}{2}^{\circ}$ West $13\frac{1}{4}$ Rods to the beginning
Except a portion within said boundary conveyed
by Abner D May & George W Gibson to
William Linn and Martin Tugheart
by deed dated June 14 - 1872

William F Haynes the Surviving Partner
of said deceased has made Inventory and
Schedule as required by law and filed the
same in the Clerk's Office of this Court
showing the total appraised value of the
Assets of said firm of Hadley & Haynes
Real and Personal to be about \$3000,
And the Liabilities to be about \$1800
It will therefore be necessary to sell
Real Estate to pay debts and owing to
the condition of the partnership business
and property of Hadley & Haynes it will
probably require a long time for the surviving

Partner & collect the amount due said firm and pay the debts thereof which must be done before the interest of said deceased can be ascertained in the Surplus Partnership Assets, and in the mean time it is necessary to continue the business of operating said Mill or both the Estate and the Surviving Partner will lose largely by the delay and unavoidable waste which would result therefrom.

The Surviving Partner W^m F Haynes now offers to purchase the interest of said Estate in the Entire Partnership assets of said firm of Hadley & Haynes and to assume and pay all the debts of the firm provided that by said purchase the outstanding accounts between said Haynes and his deceased Partner Hadley shall all be considered settled and cancelled so far as the same pertain to said business of running said Mill and the individual indebtedness of either said Hadley ^{or} Haynes to the firm for which said undivided interest said Haynes offers to pay \$1500 ^{as follows} \$3 cash - ^{on third} ~~at~~ ⁱⁿ ~~three~~ ^{at} nine and twelve months from sale with interest thereon at six per cent per annum. I have caused to be made and now file herewith an Inventory and Appraisalment of the interest of said deceased in said Partnership Estate. Real & Personal including all the partnership assets.

And estimating the supposed liabilities of
said firm - which shows that the Real
Estate is appraised at \$600 and the
Personal assets at \$900 ^{overdoubles} showing that
the Real Estate is appraised at less than
\$1000 - and the whole interest of said
deceased at not more than said Haynes
offers to pay therefor, and I believe it to
be to the interest of said Estate to sell all
the interest of said Madison & Hadley in
and to said Partnership property at private
sale to the highest bidder - giving ample op-
portunity to others to bid more than is now
offered by said Haynes but if not offered
more then to sell to him at the price offered
by said Haynes - The Inventory and appraisement
herewith filed also includes other Real
Estate of said Madison & Hadley which it
may and probably will become necessary
to sell, no one parcel or lot of which is
valued at over \$1000 - and I would state
to the Court that I believe I can sell any
part thereof at private sale without public
notice, as well as in any other way and by
so doing enhance the interest of said Es-
tate wherefore I would now ask the
Court to make an order fully authori-
zing and empowering me to sell at private
sale without notice - first all the interest
of said Madison & Hadley in and to the firm
property of Hadley & Haynes above described

both real and personal - and then of found
to be necessary by me that I shall also have
full power and authority to sell Lot No 12
in Job H Davis addition to the town of Dan-
ville - and the interest of said Madison
G Hadley in Lot One in Block 3 in Crawford's
Addition to said town and also his interest in
in Lot One (D) in Block 7 - and North 79
feet of East one third of lot 6 - and North
79 feet of Lot 7 in Block 28 in said
town of Danville, without further order of this
Court - Each and every sale to be with high-
est bidder - but at private sale and without
notice - and upon credits of three, six and
twelve months from sale - the same to draw
interest at six per cent per annum -

The interest of said Estate would be promoted
if the Court will now order the sale of the
Real and personal property herein described
at private sale without further Petition and
at ~~private sale~~ without public notice on
the terms specified above -

Elizabeth A Hadley }

To the Honorable
Joshua G Adams - Judge of said Court

The undersigned Administrator
of the Estate of Madison & Hadley
Deceased - respectfully states and shows
to the Court that since his former re-
port herein he has sold one other
parcel of the real Estate of said Decedent
to one Mary J Garshuler for
the sum of \$60 - which piece of land
is described as follows Lot #12 in
Job H Davis addition to the town of Dan-
ville County of Hendricks and State of Indiana
That the price received therefor is more
the full appraised value thereof and
the best bid offered for the same that
the purchaser is ready to pay the full
amount of purchase money upon the
receipt of a deed wherefore he asks
the Court to confirm said sale and
order that he make out and deliver
to said purchaser a proper deed of
Conveyance for said real Estate

Said Administrator further shows that since his former Petition and reports herein he has ascertained that it will be necessary to sell all of the Real Estate of said Decedent to pay his debts. And he has procured partition to be made of said Real Estate and the one third thereof assigned and set apart to his Widow. as shown by proceedings and records of Partition suit at this Term of this Court. That the lands of said Estate subject to sale and not yet sold are described as follows. To wit: Lot Number One and the west half of Lot Number Three in Block No 16 in Danville - also a Strip of Land west of and immediately adjoining said Block No 16 - said Strip being 28 feet and three (3) inches wide from East to West and extending north and south the full length of said Block No 16 - which have not yet been inventoried nor appraised.

Also the undivided half of Lot No 1 - in Block No 7 in Danville and the undivided half of the South half of Lot No 1 in Crawford's addition to said town by the undivided one fifth ($\frac{1}{5}$) of the north 79 feet of Lot 6 and East one third

of Lot 7- in Block No 28- in said town of Danville- which latter have been already mentioned and appraised but which said Administrator has not yet succeeded in selling

Said Administrator referring to the former Petition filed by him herein for the sale of Real Estate now states to the Court that he has since ascertained that the unpaid claims against said Estate admitted and pending for allowance amount to the value of the whole Estate of said Decedent real and personal if the pending claims should be allowed wherefore he prays the Court for an order authorizing and empowering him to sell all of the unsold Real Estate of said Decedent not set apart to his widow which is particularly described above in this Petition. He files herewith an Inventory and appraisement of said Real Estate not heretofore mentioned and appraised- showing that no one tract or parcel is valued at more than \$1000- and he believes he can sell said parcels as well without public notice and at private sale as in any other manner, which he asks the Court to order may be so done

Edward R Pladen } Answer &
vs } Cross Complaint
James J Bell Adm }
of M G Hadley's Estate }

The above named James D
Pell Administrator of the Estate of
Madison & Hadley Deceased states
and shows to the Court that one
Edward R Bladen has on the 24th
day of January 1882, filed in this
Court a claim against the Estate of
said Madison & Hadley, being a
certain promissory note executed
by Charles R Crow Madison & Hadley
and one J H Boswell on the
18th day of June 1879 - for \$798.⁰⁰
payable to said Edward R Bladen
Three years after the date thereof
with interest at 6 per cent per annum
~~a copy~~ which claim and note is on
file, and now on the issue docket
of this Court for allowance or trial
Said Administrator says he admits that
said Madison & Hadley was one of
the joint makers of said note. but
he said Administrator avers that said

Madison G. Hadley received no part of
the consideration for said note but
signed and executed the same on his
part solely for the accommodation of and
as surety for said Crow and Boswell
The true consideration for said note
being the sale of a lot of goods and mer-
chandise by said Bladen to said Crow
and Boswell - and that said Hadley
gave and suffered the use of his name
only to secure the amount to said
Bladen of which said Bladen had
full notice - said Administrator
further says that since the execution of
said note - the said Crow and Boswell
and said Bladen without the knowl-
edge of said Hadley entered into and
made a new contract and agreement
with reference to said note and said
lot of goods - by the terms of which
said Crow bargained and sold to said
Boswell all the interest of him said
Crow in and to said lot and stock of
goods and in consideration therefor
said Boswell assumed and promised
to pay the note due on to said Bladen
and to release the said Hadley from
all liability thereon - and said Admin-
istrator says that even if said estate of
Hadley shall be compelled ^{to pay} said note

to said Bladen - he as such Administrator
could and ought to be entitled to recover
the amount so paid off of said Crow
and Boswell and to avoid future
litigation and to save cost to said
Estate. he prays that said Crow and
Boswell may be made parties to this
suit and that they and said Bladen
be required to answer this Cross Com-
plaint and reply to this answer and
also that all of said parties be required
to answer the Interrogatories herein
after propounded - under their sep-
arate and several oaths - and upon
a final hearing of this Cause he prays
judgment for costs against Plaintiff
or in the event that said Estate is liable
to pay said debt that said Estate
have judgment and the right to an
Execution against said Crow and
also said Boswell for the amount
so paid and all costs - and he prays
the Court in all things to protect
the interest of said Estate and for
general relief. L M Campbell
