Barth Circuit Court September Term 1841

James Park Com pte.

against  
Mendith Leach & others defts.

} In Chancery

This day this Cause came on to be heard  
and the Court being advised of the premises  
Rendered the following decree, - Had the fact  
of a want of jurisdiction been relied upon  
by the defendant no relief could have been  
granted, but no such defence is made  
or relied upon either by the pleadings or  
argument, wherefore it is decreed & ordered  
that the defendant shall pay to the  
Complainant \$49.60 cents and the  
Injunction granted herein is made perpetual  
to that amount, but it is dissolved as  
to the residue. This sum is in full  
satisfaction of the claim of the  
Complainant in the Estate of his  
de & Father. It seems to the Court that  
the parties in this suit should each pay his  
own costs & they are hence dismissed  
without a day.

Dear Sir

Yours of the 24<sup>th</sup> Ulti has just reached me  
and in answer can only say that your case with your  
Brother James was tried last Sept<sup>r</sup> Court. and I wrote to  
you on the day afterwards. The Court made a final  
Settlement. out of the money in Executors hands as to James  
part of your Fathers estate. which was \$49. The sum  
specifies that it is in full of his part of the estate  
the balance of the money I have collected which  
is subject to your order. after the payment of  
my fee, & costs. When you come or send  
you must get a copy of the record which  
will be a good receipt w<sup>ch</sup> James part.

I am Sir Yours
