of Martha Morris, Insane }

Comes now Milton
Kenton, Guardian of Martha Morris, an
insane person, and file his petition to sell the
Real Estate of his ward. From which it appears
that his ward is the owner of an undivided one fifth
part of Lots. 1 & 2, in Block 10 in Danville
Hendrick County, Indiana; that the personal estate of his
ward is \$17 28 ¹⁰ which is loaned out at interest;
that his ward has no estate dependent upon the
settlement of any estate or the execution of any
trust; that the annual rental value of her real
estate is \$20 ⁰⁰ and that he has received from rents
the sum of \$27.62 which has been applied for
repairs of property and for the benefit of his ward;
that his ward is now about 32 years old and
lives with her sister Loretta O'harr, in Ladoga
Montgomery County, Indiana; that it would be to
the interest of his ward to sell her interest in
said real estate as the same is of constant expense
and that the other owners are about to sell their interest
therein; that if a sale is ordered he proposes to
reinvest the proceeds arising therefrom by loaning
the money at interest.

And the Court having examined the petition and
hearing the statement of counsel and proofs adduced
and being fully satisfied in the premises, is
satisfied of the propriety of selling said Real Estate.
Whereupon the Court appoints Jacob L. Moore
and Alexander Chamber, two freeholders of the
County of Hendrick and State of Indiana, appraisers

to appraise the interest of Martha Morris, an
insane person, in the Real Estate set out in the
petition.

State of Indiana. Hendricks County f:
In the matter of the }
Guardianship of } Hendricks Circuit Court
Martha Morris, an } January
insane person } March Term 1879

Milton Newton, Guardian
of Martha Morris, an insane person, shows
to the Court that his ward is the owner in
fee simple of an undivided one fifth of
the following described Real Estate in Hendricks
County State of Indiana to wit: Lots one
(1) and Two (2) in Block Ten (10) in the
Town of Danville, Hendricks County, Indiana
which interest of his ward is of the probable
value of \$200.⁰⁰

And the Guardian shows that the personal
estate of his ward is \$1728.15. and that
the same is loaned out at interest; that
his ward has no estate dependent upon
the settlement of any estate or the execution
of any trust; that the annual rental
value of her real estate is \$20⁰⁰ and
that he has received from rents the sum of
\$27.62 and applied the same to repair
of the property and the benefit of his wards.

And he further shows that his ward
is about 32 years old and lives with her
sister Mrs. Louisa Ohaver, at Ladoga
Montgomery Co. Indiana.
He further represents to the Court that it would
be to the interest of his wards to sell her interest
in said Real Estate, as the same is of constant

expense, almost enough to consume the entire rental value thereof; that there are four fifths of said real estate belonging to other heirs of Malinda Morris, decd, two of whom are adults and are about to sell their interest in said real estate and two fifths belong to two minor children who are now applying ^{to this Court} to sell their interest. He says that there are no items of indebtedness against the estate of his ward and that he proposes to invest the proceeds of the sale, if one should be ordered, by loaning the money at interest.

Therefore he prays the Court to appoint appraisers to appraise said real estate, and will the Court make an order for the sale of said real estate at private sale without notice.

The Guardian says that his ward still lives with her sister Louisa Ocharer in Rockville Ind. who keep her under a contract. He says that the amount of interest collected and reported is all he has or could collect by a judicious and safe investment of his ward's funds.

The Guardian says that his ward lives with her sister Mrs. James O'Haver in Rockville Ind. and is physically helpless and always has been, and is an imbecile. He says that the charges of interest are all he has collected and all he can collect from an investment of the funds, that the price paid for her board and care is the cheapest he can get it done and have proper care given her.

Wherefore he asks that this report may be approved and the estate continued.

Said balance is loaned at 8 per cent. interest to Nancy Ball, James

The Guardian shows to the Court that his Ward is a helpless invalid, totally unable to care for herself and is an imbecile. He says that the rate he has paid for her keeping, including board, washing and clothing was the best he could get. He shows the Court that the ward for her necessities has used up her whole estate, and he exhibits his vouchers in confirmation thereof.

Therefore he asks that this report may be approved, and that he may be discharged from his bond and trust.
