Note: There was some growing wheat on the decedent's farm put in by a tenant, the rent, one third in the bushel at threshing, was to go to deceased - The part going to the estate was appraised, No 84, on the Inventory, at \$15<sup>00</sup> - But on the day of sale the appraisers thought it would be better for the estate to sell the chance of the rent by the bushell and the chance of the rent was sold to R. M. Bray at 90 cents per bushell. No amount could be arrived at and I strike from both the Inventory and sale bill item 84 and when the wheat is threshed and delivered will charge myself with the amount due the estate -

This April 7<sup>th</sup> 1877.

Memorandum: July 24<sup>th</sup> 1877. F. M. Bray executed his note to me with T. S. Bray as surety for \$56<sup>85</sup>/<sub>100</sub>, payable five months after date for the wheat named in the above memorandum.
