Report.

Came now John C. Barnhill administrator of the Estate of Elbaeson Osborn deceased and makes report that at the January Term of the Common Pleas Court of said Hendricks County 1873 he procured an order of said Court to sell the West half of Lot number seven (7) in Block No. 3 in the Town of Plainfield in said County to pay the debts of the decedent: That at the time of procuring said order of Sale there were two mortgages on said premises executed by said decedent in his life-time amounting in the aggregate to the sum of about four hundred and eighty-five dollars: That he was unable to sell said premises subject to said mortgages for any sum in excess thereof: That at the February Term of the Circuit Court

of said Henricks County 1874
William F. Halton and Eli
Johnson the mortgagees of
said mortgages foreclosed
the same against the heirs of
said decedent, and afterwards
had said premises sold on
said decree for the satisfac-
tion of their several debts
and purchased the same
for the full amount thereof
interest and costs; that
after said purchase by said
Halton and Johnson the
buildings and other im-
provements on said lot
were wholly destroyed by
fire leaving nothing but the
naked lot, worth about the
sum of \$100.

He says that said lot is not
sufficient in value to ~~cover~~
secure the claims of said
Halton & Johnson, and
that it would be useless
to redeem the same
for the benefit of the
Estate - And he asks
the Court to accept this
his final report and
discharge him from
further proceedings herein.
