Said Guardian further shows the Court that said wards have now no personal estate, and ^{that} their Real Estate consisting of vacant Lots in the City of Indianapolis and yields no rent—that said wards have no estate depending upon the settlement of any estate or execution of any Trust—that they are the children of this guardian and reside with him in his family & the taxes and other assessments against ^{their} said Real Estate will all have to be & will be paid by this guardian & further—and from the premises there is no longer any necessity in the opinion of this guardian to continue said guardianship & incur costs without any estate to save and he asks to be fully & finally discharged from his Trust

State of Indiana, Hendricks County, ss:
