in the foregoing report that they are the
only heirs of said deceased Benjamin Pickett
& that there is nothing left in his hands to
be administered upon, that the total amt administered
upon was \$5577.15 besides about \$700 of interest - only
about \$100 of which was cash at time of appointment.
The sale bill was in excess of the appraisement \$476.60
& there was only a loss of \$7.20 in collections ~~not~~ except
the Rodgers note of \$778.50 which was worthless - but
he gave new notes which this admr. distributed as
money to & were accepted as such by the distributees.
Said admr. spent in settling said estate (which has been in progress
since the fall of 1868) about 80 days time.
He therefore asks to be discharged
