decd. } September Term 1881.

Michael Higgins, Executor of
the Last Will and Testament of William
Plasters deceased, reports to the Court that on the
23rd day of November 1880 he offered for sale
all the Real Estate of which said decedent died
seized, as directed by the will and on the terms
and conditions prescribed by the Court, and on
said day he sold a portion of said Real Estate
and another portion was left unsold for the
want of bidders, and said sale was continued
from day to day as by the order of the Court and
the notice given of said sale,

And he shows that on the 30th day of July 1881,
Alfred Stanley did offer for the undivided two
thirds of the East half of the South West quarter
of Section 25 township 17 North in Range
one West except seven acres in the south
east corner of said tract containing 73 acres
more or less in Hendricks County Indiana,
the sum of \$1168.⁰⁰ and no one offering
more and that being the full appraised
value of said two thirds. I sold the same to
him at private sale, as per the order of the
Court. Whereupon the said purchaser paid
down the sum of \$389.33¹/₃ and executed
his notes for the residue due in equal
installments of six and eighteen months
from day of sale with good security.

And I thereupon executed to the said Alfred Stanley a certificate of purchase, reciting the above facts, which will entitle him or his assigns to a deed of conveyance if the sale herein made be approved by the Court.
And he asks that the sale made may be confirmed.
