Warr Term A.D. 1848

The Undersigned one of the administrators of the Estate of Jesse Richardson deceased, having been cited to appear in this Court at this Term to show cause, if any they could why said Estate should not be settled up, Would respectfully state and report that it will be out of his power to close the business of said Estate at this Term Owing to his Co-administrator having removed to the State of Iowa and taken some receipts with him or mislaid the same or neglected to take receipts as he should on payments of claims against said Estate and he has not been able since said Adm^r left to get the receipts which should have been had and cannot therefore make a true expose of their proceedings in the premises at this time or settle said Estate he therefore moves the Court to continue the same until the next Term at which time he confidently believes he will be able to settle the same fully; Most of the debts and expenses having been already satisfied Green Richardson
