P: Petition to sell Real Estate to pay debts
to the Honorable John Cowgill Judge of said Court

1st The undersigned Administrator of the Estate of
Benjamin Robins late of said County deceased
would respectfully represent and show to the Court
that the personal property belonging to said Estate
which has come to his knowledge and possession
amounts to the sum of \$500.

2^d That the amount of debts outstanding against
said Estate as far as he has been able to ascertain
is about the sum of two thousand \$ dollars.

3 That said deceased died seised in fee simple
and possessed of the following Real Estate
situate in the County of Hendricks and State
of Indiana to wit ^{a part} ~~the~~ ~~undivided~~ $\frac{1}{2}$ of lots 5 & 6
in Block 4 in New Winchester ~~(next 36 feet in front~~
~~and 40 feet back on the North East corner of said lots)~~
also lots numbered ^{one (1) two (2) three (3)} four (4) five (5) six (6) and seven (7)
(and eight 8

in Block five (5) in the addition to said town laid off by Simon T Hadley Executor of Wesley Morgan's Estate, also the undivided $\frac{1}{2}$ of the following described parcel of land: Commencing at the North East corner of lot numbered (5) in Block numbered four (4) in the town of New Winchester and running South forty five (45) feet thence west thirty six (36) thence North forty five (45) feet thence East thirty six (36) feet, the same being part of lot (5) in Block and town aforesaid, and said Petitioner further states that said deceased has purchased of one Thomas Dodge and been put in possession of the following additional real Estate in said County and State to wit: Commencing fifteen feet east and four hundred and eleven feet south from the North West corner of section nine in Township fifteen North of Range two west, and running thence south two hundred and seventy feet, thence east one hundred and fifty nine feet, thence North three hundred and twenty four feet, thence west ninety four feet thence south sixty feet, thence west sixty four feet to the beginning, which said land had never been conveyed by deed owing the carelessness and neglect of said deceased and the said Thomas Dodge but as your Petitioner is now informed by said Dodge he is ready and willing to convey the same by deed according to the order of this Court or the

request of said Administrator, and your Petitioner believes it would be advisable and proper for said Judge to withhold the title to said land until the same shall have been sold by order of this Court and then convey the same by deed in fee simple to the purchaser thereof, and your Petitioner would further state that said Benjamin Robins died intestate leaving no will but leaving him surviving the following heirs to wit. Ruth Robins his widow aged about forty seven years and the following named children Eliza J Brittain wife of one Parks Brittain aged about 29 years William S Robins aged about 27 years John G Robins aged about 25 years Benjamin S Robins aged about 23 years Marcus L Robins aged about 18 years David R Robins aged about 12 years and Mary B Robins aged about 10 years, and whereas said personal property belonging to said Estate is evidently insufficient to pay the debts thereof and the remainder of real Estate belonging to said Deceased being farm land in larger bodies and quantities, and whereas the lots and lands described above in this petition being subject to early decay and the improvements thereon to waste and dilapidation he prays the Court to make an order direct

ing him to advertise and sell such lot and
lands as are herein and heretofore described at
public auction in parcels to suit purchasers
on credits of six, twelve and sixteen
month from day of sale, and he further
States to the Court that the real Estate herein
asked to be sold is of the probable value of
twelve hundred dollars

The Indiana & Illinois

vs
Benjamin Robins' Estate

Petition for new trial

The undersigned
administrator of said Estate respectfully
represents to the Court that at the July Term
of this Court in 1860 - there was allowed by this
Court a claim against said Estate in favor
of said Railway Company, the sum of five
Hundred and Eighty two Dollars and forty Cents
on a claim filed which is still ~~and~~ on file and
attached hereto - that said administrator at
that time had no personal knowledge of the
facts in said case - but has been informed
since that time by the family and the surviving
partner of said deceased and also by others
having a knowledge of his business that said
deceased never subscribed more than five
Shares of fifty Dollars each to the Capital
Stock of said Railway Company - whereas
he is charged with ten Shares - and said
Administrator says that since receiving
said information he has made efforts to
see the original Subscription Books of said

Company and has called upon Edmund Clark
the President of said Company, for an explanation
of said matter and for an examination of the
Subscription Books that he might see the signa-
ture of said Robins. where he was said to have sub-
scribed said Stock - but failed to get an inspec-
tion of said Books - and said administrator
further says that he has also procured his attorney
to call upon the Secretary of said Company
at the principal office of said Company at
the City of Indianapolis and he is informed
by said attorney that he did so call upon
said Secretary and make diligent search
and examination of all Books exhibited
to him but failed to find where said Robins
had subscribed said ten shares with which
he is charged - that said attorney found only
one Certificate of Stock which had been
issued by said Company to said Robins and
said Certificate is only for five shares at \$50.
each - that said Certificate is now in the
possession of said Administrator and the only
one he has ever had, seen or heard of as belonging
to said Deceased - and said Administrator
says he made default when said Claim was
filed and presented to the Court without
knowing that said Company was claiming
more than was subscribed by said Deceased

that he now fully believes said allowance
was wrong and too high by the sum of two
Hundred and fifty Dollars and the interest
thereon, that he does not believe said Robins
ever subscribed more than said five shares
that there has been paid altogether on said
subscription the sum of \$422-46 which will
fully discharge the indebtedness of only five
shares were subscribed - wherefore he asks
the Court to set aside said allowance
and enjoin the Plaintiff from collecting
any more money on said claim until
the original Books or papers are presented
that said Administrator may have an op-
portunity to examine the same and contest
the claim if necessary - and he asks that
notice be given to the President of said Company
of this application and no payment be made
on said claim by the Clerk until the final
hearing of the same. A/Pl B. written
