In the matter of the
Estate of
William Selch

} Administrators
Final Report

I the undersigned administrator of the
Estate of William Selch deceased respectfully
submit to the Court the following full
and final report in said Estate work:

In the former report made by me March
14 1876 there were included in the items
of Credit, on account of debts and ex-
penses of said estate, several items which
had been paid for the benefit of certain
heirs and which should properly be charged
to such heirs respectively on distribution.

There is also included by mistake in the
said items of Credit (voucher 54) a receipt
of George A. Selch, on distribution, which
should have been included among the
debts of said Estate. Wherefore I make
this report include every item of in-
debtedness, and also every item of
Credit in the whole administration of said Estate
and revise the vouchers numbered from
1 to 56 inclusive in my said former

report, in order to arrange them under proper headings:
