September Term 1881.

The Estate of
William Shirley decd. }

The undersigned, administrator of the estate of William Shirley deceased, represents to the Court that the whole amount of the inventory of the personal estate of said decedent is \$730.¹² as now footed; that of said amount the widow selected property of the value of \$33.⁴⁰ and the notes and accounts ^{cash on hand \$5.81} were appraised at the sum of \$47.90, - leaving to be sold property valued at \$573.87 of which amount, a small stock of goods valued at \$463.37 is to be sold, and a load of Stow Coal valued at \$40.⁴² That the remainder of the property to be sold, consists of old household and kitchen furniture, and a part will doubtless yet be selected by the widow, - Your petitioner believes it will be to the interest of the estate to sell all of said personal property at private sale, and the stock of goods in bulk, if a purchaser can be had therefor, and to sell said Coal immediately without notice at private sale, it having a fixed market value, and if not sold very soon will not sell before next fall for any thing near its value.

He therefore prays for an order to sell all of said personal property at private sale on such terms as to notice as the Court shall direct, and on such time as shall be best to the interest of said estate, and in case the same cannot be sold at private sale within a time to be fixed by the Court, that he shall then upon the same to sale at

public auction; and that he be authorized
to so advertise said property for sale

Comes now Thompson Smith
Administrator of the estate of William Shirley decd,
and files his petition herein as follows, (insert all

It is therefore ordered that said administrator
after giving five days notice by publication and
posting notices of the time place and terms of

taken by the widow ^{except said stone coal} at private sale, and to
sell the stock of store goods as an entirety if
