Rules of Hendricks Probate Court.

Rule 16th. The Estates and Bonds as entered upon the docket, will be called, as entered, and if there is no appearance, the same will be disposed of, for the term.

Rule 16th. When any Administrator, Executor or Guardian shall file his vouchers for final settlement of the Estate, whereof he has been Administrator, Executor, or Guardian, he shall file therewith an account current drawn up in a fair hand, in which after debiting himself with all assets that ~~that~~ may have come to his hands: there shall be stated on the credit side of the account, First, all costs of administration, last sickness, and funeral expenses, amount received by the Widow of property at its appraised value, and such debts due the Estate as having been charged to the administrator or Executor are not capable of being collected. Secondly, all payments made upon Mortgages or Judgments that operated as a lien on the estate of the decedent. And lastly, payments made upon every other account to the creditors of the estate.

And each of the above classes of items shall form a separate aggregate, and the vouchers in support of each item shall be numbered and referred to corresponding numbers on the account current.

Rule 17th. Wherein any estate shall be considered insolvent, the Administrator or Executor shall immediately after the expiration of one year from the granting of letters of administration, make out and present to the Court a Schedule showing all the assets that may be available to the credit of the ^{estate} and showing as far as can be ascertained the amount of debts chargeable upon the estate: that a dividend may be struck.

Rule 18. Upon application by an Executor or Administrator for an extension of the time for making final settlement, such application shall be in writing and filed with the Clerk: and shall set forth the facts and reasons upon which such application is made. And unless reasonable diligence shall have been used in collecting and paying debts; and in settling the concerns of the estate: the application will not be granted.

Rule 19th. That Administrators, Executors and Guardians in making out their accounts for the approval of the Court (as required by Rule 16) shall state the time of each receipt of money: and also the time of each payment.

In the Humbercks Probate Court August term 1868
John G. Smith's Estate.

William Lerner Administrator
of said Estate, would most respectfully ~~state and~~
ask and request the Honorable Judge of this
court, to discharge him from the ^{further} Administration
of said Estate and appoint some suitable and
proper person to administer said Estate for
the following reasons viz 1. Because
he resides in Boone County; and therefore
very expensive to the estate and this petitioner
2. Because the said William Lerner is
a material witness for the creditors of
the Estate of John G. Smith to recover
and subject a certain tract of land
to the payment of said creditors which
cannot be made subject to the payment
of the debts ^{without the evidence of Wm Lerner} against said Estate, and
without subjecting said land to the
payment of said debts, the estate will
not pay fifty cents to the dollar but
by subjecting said Land, all the debts
may be paid, all of which is most
respectfully submitted.

Notice to take Depositions

Depositions of Helen M. Gray, Thomas Betts and
William Sumner.

taken on the 11th day of August 1849. between the hours of ten
O'clock A.M. and six O'clock P.M. of said day, at the Court
house in the town of Danville, Hendricks County, Indiana, pursuant to
the enclosed notice, to be read in evidence in a cause pending
in the Probate Court of Hendricks County, wherein George C.
Bransham et al are Complainants and William T. Sherley et al
are defendants.

The said ^{Thomas Betts} Helen M. Gray, being first duly
sworn, doth depose and say, as follows to-wit:

1st Question by Compt^{ee}, State whether or not you know of Samuel
Betts having performed work for John G. Smith in his lifetime,
and if so, what was said work worth?

Answer. I know of Samuel Betts one of the Complainants
having worked for John G. Smith in his life time, in the ca-
pacity of a House Carpenter; that he knows of his laying
three and three fourth Squares of white ash flooring, worth
three dollars per square; four and three fourth Squares
of ceiling over head worth, three dollars per square;
19 1/4 Squares of ceiling worth \$2.50 per square; and that
he put up 105 feet of Chair Boarding at 3 cts per foot;
that he put up one partition worth \$7.50; that he
cased 3 windows for said Smith & furnished sash for the
same worth four dollars; and that he cased 3 doors and
made 2 Panel doors, worth twelve dollars & that he furnished
one new sill and three sleepers worth \$3.50; that he
made the steps and shutter for cellar worth \$5.00; that he
made 1 Box Cornish and one roof trough, worth \$5.00
and that he cut out 3 windows worth & two doors and that

he put a roof on a building, and that he repaired one wagon
on worth \$2.00 and that all of the above work was done by
the said Samuel Betts for the said John L. Smith and that
the account files in this case in the Probate Court of Hendricks County
and marked Exhibit "K" for \$41.87 remains due and unpaid
And that I know of said Samuel Betts having made a coffin
for said John L. Smith & that said Coffin has been paid for
by the administrator of the estate of said John L. Smith
& further with not. Thoma & Barts

The said Helen M. Gray being first duly sworn
doth depose and say, as follows, to wit:

That she was present in the Spring of year of
1832 when Temple Cooper conveyed by deed the West half
of the South West quarter of Section No. 2 in Township
16 North of Range One East to Levi Sherley, and that
Jesse Smith who has since deceased at the time and just
before the execution of the deed, handed something, near
three hundred & fifty dollars to Levi Sherley which money
was paid to Temple Cooper by Sherley the same being
the balance due on the said land from Jesse Smith
to Temple Cooper & that at the time of the above trans-
action it was stated by and between said Smith, Sherley
& Cooper that the land aforesaid was conveyed to
Sherley for the sole purpose of preventing one George
Tyler administrator of the estate of Thomas Jordan
from recovering any portion of a judgment which he
might thereafter recover against the said Jesse Smith

and thus in the Hendricks Probate Court, which suit
was ^{then} pending in said Court and undetermined and it
was understood at the time, that Sherley was to convey
the land to Jesse Smith, and that Jesse Smith was
then in the possession of the aforesaid land, and
continued in possession of the same for the several years
from 1832 to 1838

Witness that the Land aforesaid was conveyed to
Sherley for the sole purpose of preventing one George
Tyler Administrator of the estate of Thomas Jordan
from recovering any portion of a judgment which he
might thereafter recover against the said Jesse Smith

and others in the Hendricks Probate Court, which suit
was ^{then} pending in said Court and undetermined and it
was understood at the time, that Sherley was to convey
the land to Jesse Smith, and that Jesse Smith was
then in the possession of the aforesaid land, and
continued in possession of the same for the several years
afterwards claiming the land as his own & Sherley
never set up claim to said land. Jesse Smith
delivered the possession of said premises to John G.
Smith and it was understood by me from both
Jesse Smith and Sherley, that Jesse Smith had sold
the said land to John G. Smith, & the said John
G. Smith lived upon and cultivated said land until
his death claiming it as his own, & further said
not.
H Maria Gray

And the said William Turner being first duly sworn
upon his oath depose and say, as follows.

That Reuben Smith one of the ^{complainants} plaintiffs in this
suit, paid for John G. Smith as security, between
seventy five and one hundred dollars to some person in
Kentucky; and that he believes that amount is
justly due to Reuben Smith from the estate of
John G. Smith, and that a certain note exhibited
and marked D. S. purporting to be a note executed by
John G. Smith for the sum of fifty three dollars, dated
Aug. 24. 1841 was executed by John G. Smith to Reu-
ben Smith, and a certain other note executed on
the 23^d day of August 1841 to S. B. Calvert by John
G. Smith for twenty one dollars and sixteen cents
was executed by John G. Smith to the said Calvert
which note is made an Exhibit and marked E. and that

both of said notes are yet due and unpaid. And that Jesse Smith ^{signed deed} told witness that he the said Jesse Smith had the deed to said land made to Levi Sherley to prevent the collection of a certain debt which George Tyler as administrator claimed of him which he the said Smith said was unjust, that he never received any consideration from Sherley for said land, nor was any ever to have been paid, but it was decided for the express purpose aforesaid, and that he the witness has every reason to believe that the said land was paid for by John G. Smith to Jesse ~~before~~ Smith, and Jesse Smith also told witness that Sherley died in a short time after said deed was made to him, and thereby had left him the said Jesse Smith in a difficulty and that he the said Jesse Smith had not the scratch of a pen against Sherley to compel him to convey the land back to him the said Jesse Smith, but that he the said Jesse Smith knew him the said Sherley to be such an honest man, that if he ~~would~~ had lived there would have been no danger.

Witness further states that he is acquainted with the hand writing of said John G. Smith, and from such acquaintance he believes that the several notes in the Complainant's bill mentioned and marked as exhibits from A. to H. inclusive ^{signed in} are the hand writing of said Smith. And that he the witness ^{saw} said notes some four or five years ago, that they were left with him at that time by Reuben Smith of Kentucky, said witness was then administrator of the estate of said John G. Smith, ^{as such} and had every reason to believe that said notes above mentioned ~~were~~ just and owing by said John Smith, and ^{that they} yet remain unpaid. I further Smith not.

State of Indiana } Hendricks Probate Court
Hendricks County } To February Term 1849

To the Honorable the Judge of the Hendricks
Probate Court now in Chancery sitting: Humbly
Complaining, Sheweth unto your Honor, your
Orators, George C. Frankham, Silas B. Catcott, Samuel
Fells and the heirs and legal representatives of Reuben
Smith deceased, to wit, John W. Smith, Maryah Kelaxon, Thomas
Smith, William Smith, George Speers, James C. Smith, Henry Smith, Leena
Roberts, Sally Smith, ^{and Mary Susan Smith} Reuben H. Smith, as well for themselves as for all
the Creditors of the estate of John W. Smith (now dec'd)
who may hereafter make themselves parties hereto,
most respectfully Shew unto your Honor; That
one Jesse Smith who departed this life on or about
the 10th of September in the year 1841 before his death
to wit on or about the 1st day of April in the year
1832 Purchased from one Temple Cooper and
fully paid him for the same, the following tract
of land lying and being in the County of Hendricks
and State of Indiana, to wit, the West half of
the South West quarter of Section two in Town-
ship sixteen North of Range One East, containing
Eighty Acres, And the said Jesse Smith without
any consideration whatever, but with the fraudulent
intention of preventing one George Lyfor Administrator
of the Estate of Thomas Cordan deceased from
collecting off him any portion of a Judgment which
the said Lyfor might recover against him with others in
the Hendricks Probate Court, which suit was then pen-
-ding and undetermined in said Court, did on the
16 day of January in the year 1833 in combination with
the said Temple Cooper (now dead, and Levi Shirley
who is also now dead, procure the said Temple Cooper
to deed the aforesaid tract of land to the said Levi Shirley
with the understanding that the said Levi Shirley should
at and upon the request of the said Jesse Smith Convey
the same tract of land to him. And the said Jesse Smith

was then in the possession of the said tract of land, and paid the taxes thereon up to the death of the said Levi Shirley, to wit, the 10th day of August 1833, at which time the said Shirley departed this life, and that previous to the trial of said Suit in the Hendrick Probate Court of aforesaid, without having first conveyed the premises aforesaid by deed to the said Jesse Smith, although the said Shirley up to the time of his death held the said tract of land in trust for the said Jesse Smith: And the said Jesse Smith after the death of the said Shirley occupied the said tract of land up to the 10th day of April 1838 at which time he sold the said tract of land to John H. Smith for the sum of Eight hundred dollars to him in hand paid by the said John H. Smith, And the said John H. Smith was then and there put into the possession of said tract of land, and so continued in the peaceable and quiet Possession thereof, up to the time of his death, and made thereon lasting and valuable improvements And the said Jesse Smith was to have procured a title in fee simple for said land and to convey the same to the said John H. Smith: And did in fact procure Nancy Cox and Robert Cox - the said Nancy being the widow of the said Levi Shirley deceased, to convey to the said John H. Smith, said tract of land, but the said Nancy and Robert had but a dower right in said land, and therefore could convey no greater estate to the said John H. Smith. And the said Jesse Smith previous to the conveying by deed the fee simple in said tract of land to the said John H. Smith departed this life intestate, and wholly insolvent at the time aforesaid. And your Orators further shew unto your Honor, that the said Levi Shirley departed this life at the time aforesaid, leaving his widow Nancy and William J. Shirley his heir at Law him surviving - the said William J. Shirley who is now a minor within the age of twenty one years, &

whom your Orators pray may be made a defendant to this their bill of Complaint (the said Nancy having already conveyed with her second husband Cox, their interest in said land, to the said John H. Smith dead)

And your Orators further shew unto your Honor, that the said John H. Smith departed this life insolvent unless the aforesaid tract of land can be made subject to the payment of his debts. A statement of the

Sheweth unto your Honor, that the said Civi Shirley
departed this life at the time aforesaid, leaving his
widow Nancy and William T. Shirley his heirs, at Law
him surviving — the said William T. Shirley who is
now a minor within the age of twenty one years, &

whom your orator prays may be made a dependant
to this this bill of Complaint (the said Nancy having
already conveyed with her second husband Esq, their
interest in said land to the said John G. Smith decd)
And your Orator further Shew unto your Honor,
that the said John G. Smith departed this life insolvent
unless the aforesaid tract of land can be made subject
to the payment of his debts. And that at the time of
his death the said John G. Smith was indebted to your
Orator George C. Branham by Note made by said
Smith to the said Branham for thirty three dollars
and eighty five cents, dated 11th January 1839 and
due and payable one day after the date thereof, a

Bill. And also by a third Note executed by
said Smith to said Branham and Company, but
which is now the individual property of said
George C. Branham, for the payment of fifty dollars,
dated January 15th 1839 and payable one day after
date. a copy of which is also here exhibited marked
(C) and made a part of this bill. And also by a
fourth ~~third~~ Note executed by said Smith to H. H. Calvert
and Company, but which is now the property of
said Branham for the payment of fifty ^{five} dollars
dated August 24th 1841 and payable one day after date
A copy of which is here exhibited, (marked (D)) and
made a part of this Bill. And also by a fifth
Note made by said Smith to John D. Hampton, but
which is now the individual property of said Branham,
for six dollars and thirty three cents, dated August

24th 1841 and payable one day after date for value received. A copy of which is here exhibited, marked (E) and made a part of this Bill. And also by a Sixth Note Made by said Smith to Zachary (but which is now the property of said Branham for the payment of Sixty dollars and eighty four cents, dated August 23^d 1841 and payable one day after the date thereof. ~~And also by~~ Copy of which is here exhibited (marked (F)) and made a part of this Bill. And also by a Seventh Note Made by said Smith to John H. Stevenson or William Falkner (but which is the individual property of said Branham) for Sixteen dollars, dated 16th of September 1837 and payable one day after the date thereof. A copy of which is here exhibited, marked (G) and made a part of this bill. And also by an Eighth Note, Made by said Smith to Martin Sparks, but which is now the property of said Branham for the payment of Eight dollars and fifty cents, dated August 23^d 1841 due one day after date, a copy of which is here exhibited, marked (H) and made a part of this bill.

And the said John H. Smith was also indebted at the time of his death to your ^{Orator} Silas B. Calvert by his promissory note executed on the 23^d day of August 1841 to the said Silas B. Calvert for the payment of Twenty one dollars and sixteen cents, which is herewith filed marked (I) and made a part of this bill.

And the said John H. Smith at the time of his death was also indebted to your Orator Samuel Bates by account for work and labour done, in the sum of two hundred dollars, which said account is here filed and made a part of this bill, (marked (J)).

And the said John H. Smith at the time of his death was indebted to one Reuben Smith, the father of your Orators & Oratrices. Marjah Clason, John W. Smith, Thomas Smith, William Smith, Louiza Speers, James

L. Smith, Henry Smith, Leina Roberts, Sally Smith, Reuben S. Smith and Mary Susan Smith.

but whose is now dead by a promissory note executed on the 24th day of August 1841 in the sum of fifty three dollars and interest accrued thereon, which note is here filed and made a part of this Bill, marked (K)

And the said John H. Smith was also, ^{jointly} indebted at the time of his death to the said Reuben (who is also dead) as aforesaid, in the sum of \$200 & 00/100

by account for work and materials, which said account is here filed and made a part of this bill, (Marked (K)).

And the said John H. Smith at the time of his death was indebted to one Reuben Smith, the father of your Orators & Co-treas. Marjah Closeow, John W. Smith, Thomas Smith, William Smith, Louiza Speers, James

L. Smith, Henry Smith, Leena Roberts, Sally Smith, Reuben H. Smith and Mary Susan Smith.

but whose is now dead by a promissory note executed on the 2nd day of August 1841 in the sum of fifty three dollars and interest accrued thereon, which note is here filed and made a part of this Bill, (Marked (L))

And the said John H. Smith was also, ^{jointly} indebted at the time of his death to the said Reuben (who is also dead) as aforesaid, in the further sum of One hundred dollars for money then and there paid by the said Reuben for the use of the said John and at his request.

And your Orators further shew unto your Honor that the said John H. Smith departed this life at the time aforesaid, leaving as his heirs at law him surviving, the following Persons, to wit, Nancy Newham and her husband Thomas Newham; Sally Ann Smith and her husband John Smith; Lucinda Williams and her husband Daniel Williams; Melinda Jane Stephens and her husband Daniel Stephens: all of lawful age. And Rebecca Smith, Hannah, Smith, Sarah Smith, John B. Smith, George W. Smith and Thaddeus B. Smith, who are minors within the age of twenty one years, all whom, both adults and minors, your Orators pray may be made defendants to this their bill of Complaint.

Now Orators charge that the said Levi Shirley from the date of the deed, executed to him by the said Cooper, up to the time of his death, held the said tract of land in trust for the said Jesse Smith; and ^{that} the said William J. Shirley the heir at law of the said Levi, held the premises aforesaid ^{for said Jesse Smith} in trust, from the time of the death of his father the said Levi, up to the time the said Jesse sold the same to the said John H. Smith; and from that time the said William J. Shirley held said premises in trust for the said John H. Smith up to the time of the death of the said John and from the time of the death of the said John H. Smith the said William J. Shirley has held and

now hold, the said tract of land in trust for your
Orators, and all the Creditors of the said John B. Smith
at the time of his death. Your Orators further
shew unto your Honor that Letters of Administration
were granted and issued by this Court sometime in
the year 1842 to William Turner upon the estate of
the said John B. Smith, who continued to be such Admini-
istrator from the time aforesaid until the August term
in the year 1848 of this Honorable Court, when the said
William Turner was discharged as such Administrator
and Preston Pennington was by this Honorable
Court appointed such administrator in the place,
room and stead of said Turner. And your
Orators further shew that no proceedings of any kind
whatsoever, were ever instituted by said Turner as such
Administrator, for the purpose of rendering the tract
of land aforesaid subject to the payment of the debts
and demands owing by, and outstanding against
the estate of the said John B. Smith, although he
the said William Turner was, and so continued to be
such Administrator for a term of more than
five years. But that said Turner as such admini-
istrator did sell, dispose of and convert into
cash all the personal property of which the said
John B. Smith died possessed, and took an account
of all debts and demands due & owing to
said estate, all according to the requirements of
the law in such cases made and provided,
and from which it is clearly shown (taken
together with the amount of claims filed & exhibited
against said estate, which are believed to be justly
due and owing by said estate) that the estate of
the said John B. Smith is largely insolvent and
unable to pay and discharge the claims and dem-
ands against, and therefore a suit by your Orators
against said Administrator would be fruitless
and attended ^{with} heavy costs for no profit. besides

the entire loss of their claims against the estate,
unless the tract of land aforesaid is made subject
to the payment of their demands, by sale thereof
for the benefit of your Orators and such other
creditors of said estate, as may hereafter join in,
and become parties to this suit.

Therefore your Orators pray your Honor
that upon a final hearing of this cause to decree
that the said William T. Turner be removed as

together with the ~~claimants~~ against said estate, which are believed to be justly due and owing by said estate) that the estate of the said John G. Smith is largely insolvent and unable to pay and discharge the claims and demands against, and therefore a suit by your Orators against said ^{with} Administrator would be fruitless and attended ^{with} heavy costs for no profit. besides

the entire loss of their claims against the estate, unless the tract of land aforesaid is made subject to the payment of their demands, by sale thereof for the benefit of your Orators and such other creditors of said estate, as may hereafter join in, and become parties to this suit.

Therefore your Orators pray your Honor that upon a final hearing of this cause to decree that the said William T. Shirley the heir at law of the said Levi Shirley deceased, do, hold the said tract of land set forth in this bill, in trust for your Orators, and that the deed made by Temple Cooper and wife to the said Levi Shirley now dead, be set aside and held for naught for the causes aforesaid, and that the said tract of land be decreed to be sold by a Commissioner to be by your Honor appointed for that purpose according to such regulations and upon such terms as your Honor may be prescribe, and the proceeds of such sale, or so much thereof as may be judged necessary for that purpose be first applied to the payment of the several demands aforesaid of your Orators, and the surplus if any be decreed to be handed over to the said Preston Pennington (now the Administrator of the estate of the said John G. Smith as aforesaid. to be by him paid out in discharge of such debts as may be against the estate of ~~being~~ the said John G. Smith, and if after the payment of all the debts against said estate there shall still remain an surplus in his hands growing out of the sale of said premises, then that the said Administrator pay such remainder over to the heirs at law of said John G. Smith in equal portions.

And your Orators further pray that the writ of Subpoena may issue directed to the Sheriff of this County against the aforesaid defendants, and that the aforesaid defendants may in their own proper

Persons be compelled severally to answer under
their and each of their respective oaths all and singular
the matters and things contained in this bill.
And that the said Minors, William T. Shirley, Rebecca
Smith, Hannah Smith, Sarah Smith, John B.
Smith, George W. Smith, and Shadens C. S. Smith,
be compelled to answer this bill by their proper guardian
ad litem to be appointed by this Honorable for the
said infant defendants. And that an account
may be taken of what is due to each of your Orators
for principal and interest upon each of their
several demands aforesaid against the said
John B. Smith's estate. And that the tract of land
aforesaid, and the proceeds thereof be applied to
to the satisfaction of said principal so found to
be due each of your Orators, and the remainder
if any paid over to the said ~~Executors~~ ^{Successors} Administrator
as aforesaid to be by him applied as aforesaid.
And that your Orators may have such other
and further relief in the Premises as equity &
good conscience may require. And they as
in duty bound will ever pray &c.
