Samuel Barker Adm^r of the estate of John Thompson deceased
Reports to the court now here, to wit, James M. McLure Esq
That it is out of his power to settle up said estate at this time
Because a judgment against one Thomas D. McLure in favor
of said estate has not yet been fully collected off of
said McLure, owing to the hardness of the times, and the
determination of some of the citizens of Washington Township
in Hendricks County Indiana, having determined that in future
no property shall be sold on execution in said Township and
if sold the person or persons bidding for the same are
to be whipped, mangled, wounded, beat & bruised, and
because of such a settled determination on the part of a portion
of said citizens, officers of justice have been deterred
from discharging their duty in part, or at least the law
has not been ~~administered~~ administered, therefore
it is at this time impossible for him to determine when
the same will be collected but will have the same
collected if in my power so to do &c
