In the matter of the Estate of
William L Sharpe Deceased

The undersigned Administrator -
of said Estate respectfully shows
and states to the Court that the whole
amount of property which has come into
his hands as Administrator is 1117.68
of which the widow took 471.80

Showing Balance of assets \$645.88
which sold for an excess over a proportion of \$119.75.
He further shows that the whole \$765.63

Amount of debts outstanding against
said Estate as far as the same have
come to his knowledge will be about \$1400.00
Showing a deficit of nearly \$700 of the
personally -

That said deceased was the owner of
100 acres of land in said County of Hendricks
Sixty acres of which was occupied by him
and is yet by his widow as a home -

That 40 acres thereof & int: The SE $\frac{1}{4}$ of
the SE $\frac{1}{4}$ of Section 8, Township 16 Range
One West - was separate and is situate
remote from said home farm but in said

That said Administrator believes he can

for a term of years, without selling the
fee simple thereof and realize a sufficient
sum to pay out the indebtedness of said
Estate to the satisfaction of the creditors

That said deceased left a widow Jane
Tharpe who still survives and three
minor children named and aged as
follows to wit;

Francis M Tharpe aged about 17 years
Rachel Tharpe " " 10 years
Ora E Tharpe aged " 3 years
all of whom reside in Hendricks County

He further shows that Joshua S Tharpe
is the Guardian of said minors, and it
is the desire of the widow and the Guardian
of said children that the rents and profits
of said Land may be sold instead of the
fee simple, both of whom file their consent
thereto in writing and ~~naive~~ notice by pub-
lication, wherefore he prays the Court
to order that he shall lease said forty
acres of Land for a term of years suf-
~~ficient~~ to raise a sum sufficient to
pay said indebtedness
