RICHARD H. VANDIKE

ESTATE

1834

HENDRICKS COUNTY, INDIANA

In the Honorable. Samuel Seabird, Judge of the Probate Court
 of Sandwich County, in the State of Indiana. The memorial of
 William Willcox. Administrator of the estate of Richard
 A. Drake deceased, respectfully sheweth, That the amount
 of the personal estate of the said deceased which has come
 to ^{his} hands to be administered including debts due
 to the estate at the appraised value as appears by and
 inventory thereof now on file in this Honorable Court
 is

\$ 12 " 99^{cts}

his real estate &c

The following sums were due and owing by the deceased
 to wit, To Jacob Rose by note due

20th day of June 1833

\$ 10 " 18

To Thomas M. Smith by account 13 " 50

" Do Anna Blank by our own account B " 50

Making together the sum of
 showing a deficit of

\$ 971 82
 12 99
 \$ 958 " 83

such is the condition of the estate of the deceased
 personal ^{property} (there being no real estate) and the
 amount of debts out standing against it so far
 as the same have come to the hands or knowledge
 of your memorialist. From the above statement it
 clearly appears that the whole personal estate of the
 said deceased which has been made up in the hands of
 your memorialist to be administered, is insufficient to satisfy
 the debts and demands outstanding against said estate, your
 memorialist therefore prays, that he may be allowed to
 settle the said estate as insolvent, in conformity with the Statute in
 such case provided. That the creditors of said estate may
 be notified accordingly, and that your memorialist
 may have such other and further relief as may be consistent
 with justice and equity And your memorialist will pray
