The undersigned ~~James~~
Executor of the last Will and Testament of James
Wells deceased who was appointed to make sale
of Lot N^o. Eight in the original plat of the
Town of Whitestown at the last Term of this
Court would respectfully report that he
offered the same for sale at public auction
on the 23^d of September 1848 and that

ment being filed that the said Court order
that the said premises be offered to sale
at public auction again on the same

Danville, Ap^l Term of the
Henricks Circuit Court, 1845.

To the Honorable Judges of sd county
We respectfully report,

That in the settlement of
the Estate of James Walls ~~decd~~, late of
Henricks County, We have made but little
advancements, owing to the pressure of the times
We have it is true, settled up some of the
arrearages, but principally in changing notes
Judgements &c. The notes and accounts of
said Estate are converted into Judgements
and are made safe, as far as we have a
knowledge and we think there is ena-
ough coming to said Estate to pay all the
demands against it, were it available,
so that all ~~that~~ we can do, is to wait,
for we cannot force payment under
the present Law We wish the Estate
continued.

Respectfully Submitted

To the Honorable - The probate Court of
Stearns County in session 1st Monday in May
1843.

Report concerning the condition of
the Estate of James Wallo Duane, late of
Stearns County Indiana. The Executors
beg leave to say - That they have used due
diligence in settling the affairs of said Estate.
They have ~~been~~ on nearly all the demands
in favor of said Estate, and a goodly number
of them are secured on the magistrates docket
the same are not as yet but we think
the prospect at present is good to save
pretty much all of sd dues.

They have settled many accounts and notes
which were presented against said Estate.

And they are still using all diligence
so far as the ~~hand~~ drops of the times will
admit in settling same affairs.

Therefore beg a continuance of the
^{affairs of the} Estate affairs - as we cannot compel
people to pay money when they have
not got it - They further think, if what
is coming to said Estate can be collected
it will pay all demands against sd Estate.

Respectfully submitted
