that the estate has no ready money, and is ⁱⁿ need of some cash, which
can be obtained by the sale of said wheat to the advantage of the
estate.

The administrator of the estate of the said Margaret H. West deceased shows to the Court that the estate that has come into his hands as such administrator amounts to more than the sum of \$1300,00, and that the decedent left real estate of the value of \$2,500,00. He says that the debts of the decedent amount to but a small sum, and that the decedent left her surviving 3 minor children, the others of her children being of the full age of twenty one years. He further says that the grave of said decedent is unmarked by any monument or tombstone, and unless the Court permits him to erect a monument or tombstone to her grave he believes that one never will be erected. He says that a decent respect for the memory of the deceased, and the size of her estate would warrant a tombstone to cost not to exceed the sum of \$50,00. And he asks an order accordingly.
