Alfred Hadley and Charles A. White
Executors of the last will of Maximilian White
deceased, report to the Court, that by the
terms and provisions of said will they as
such Executors were directed to sell at public
or private sale, as they might think best,
the farm belonging to said decedent referred
to in said will as "my farm" And they
further represent that at the time of the
execution of said will and the death of said
decedent he was the owner of a farm or tract
of land lying in the County of Hendricks and
State of Indiana which was the only farm
owned by said testator and the one referred to
in said will as "my farm", and more partic-
ularly described as follows, to wit: The East half
of the North East Quarter of Section Fourteen (14)
lying west of the State road running from
Belleville to Martinsville; Also sixty (60) acres off
of the East side of the West half of the North
East quarter of said Section Fourteen (14), and
that part of the West half of the North West
quarter of Section Thirteen (13) lying West of
the above named State road, all in Township
Fourteen (14) North of Range One (1) West, except
ten (10) acres of said tract heretofore conveyed by
Maximilian White to Joel Williams, described as
follows: Beginning at the center of the State road
running from Belleville to Mouravia, at a point

twelve (12) rods and fourteen (14) links from the East half mile stake of said Section fourteen (14), thence West twenty (20) rods, thence North 13 degrees west with the bearing of said road Seventeen (17) rods and fifteen (15) links, thence West seven (7) rods and five (5) links, thence North 13 degrees west forty five (45) rods and Twenty-one (21) links, thence East Twenty seven (27) rods and five (5) links to the center of the above mentioned road, thence running with said road to the beginning, Estimated to contain One hundred and thirty (130) acres more or less. And they further report to the Court that believing it to be to the best interest of the Estate so to do, they elected to sell the same at private sale; whereupon they gave notice that they would sell said real Estate at private sale, at the late residence of the testator in the Town of Belleville, Hendricks County, Indiana, on Saturday the 20th day of March 1875, on the following terms, to wit: the purchaser to pay three fourths cash in hand, and the remaining fourth in twelve months, the purchaser giving his note therefor waiving relief from valuation and appraisement laws and bearing ten per cent interest. said notice being given by a publication for four weeks successively in the Danville Union a weekly public newspaper, of general circulation, printed and published in said county, and by posting up printed notices thereof in five public places in

said County, of which three were posted in Liberty Township where said land is situate. And at the time and place aforesaid they offered said land for sale at private sale, and John T. Hamrick offering therefor the sum of Five thousand and two hundred dollars (\$5200.00) and no one then and there, or before that time, offering more, and that being more than the full appraised value thereof, as shown by the re-appraisement of said land on file herein, said land was sold to said John T. Hamrick for the price aforesaid. He the said purchaser thereupon paid in cash the sum of Three thousand and nine hundred dollars (\$3900.00) and executed his note for the residue with John Miles as surety waiving relief from collocation or appraisement laws and bearing ten per cent and payable in twelve months. And the undersigned shows to the Court said note, and refer to the appraisement, and proof of publication and posting of notices on file in this Court. And they pray the Court for a confirmation of said sale and that they be ordered to execute a deed to said purchaser
