Comes now the Administrator of said estate, by his attorneys, and presents to me the undersigned Judge, in chambers, the following petition to-wit:  
(The clerk will here set out the petition in full except the caption).

And the court having examined the said petition and being fully advised in the premises finds that the prayer of the petition ought to be granted.

It is therefore now here, in chambers, ordered by me that said administrator proceed to sell at private sale for not less than the full appraised value, the lumber and tile mill mentioned above on such terms as to credit as he may think to the best interest of the estate and on such notice as the Administrator, think will best subserve the interest of the estate.

And it is further ordered that said Administrator proceed to have the saw mill and all the appurtenances thereto belonging first appraised and then that he sell the same at private sale on the same notice and time and terms as above prescribed in this order for the sale of the lumber and tile mill.

In the estate of Abraham } Vacation.

Llewellyn J. Whitenack Administrator of the estate of Abraham Whitenack deceased, shows to the Honorable Judge of the 19<sup>th</sup> Judicial Circuit and ex officio Judge of the Hendricks Circuit Court, (in vacation) at chambers, that as such administrator, he is charged on the inventory in said estate as follows among other things:

No. 95,	2800 ft. Poplar Lumber 1 <sup>st</sup> class	\$28.00
No. 96,	2000 " " culls	6.00
No. 98	500 " Ash "	5.00
No. 99	Tile Mill & Shed	500.00
No. 100.	500 ft Wagon Lumber	7.50

He shows to the Court that at the public sale of the personal property of said decedent he did not suffer said articles above enumerated to be sold, and as he believed it to be to the interest of the estate he represents to ask an order and sell them at private sale. He says that the lumber above mentioned is valuable and few purchasers at a public sale would know its value, but that he ought to and believes he can, at private sale sell the same at a larger price than the appraisement. He further says that the tile mill & shed is in demand by only such persons as actually desire to engage in the business of manufacturing tile

and that the only way he can dispose of the same at advantage is to hunt and procure a purchaser at private sale,

Therefore he asks that he may have an order of the court directing him to sell the above property, on such time and terms as he thinks to the best interest of the estate and on such notice as the Court may prescribe,

And he further says that the decedent died the owner of a saw mill complete with shed, engine, and everything necessary for sawing lumber which has not yet been appraised but which ought to be appraised and sold at private sale, as he believes such course would best subserve the interest of said estate,

Therefore he asks an order of the Court to allow him to have said mill first appraised and then sell the same on the same terms and conditions as prescribed for the sale of the property first above mentioned. Skewell J. P. Whitlock

Lewellyn P. Whitnack  
Administrator of the estate of Abraham  
Whitnack deceased shows to the court  
on the 2<sup>nd</sup> day of May 1882 he procured an  
order from the Judge of this court in chambers  
to sell certain personal property at private  
sale among which was a Tile Meill &  
Shed, No. 99 of the Inventory and appraised  
at \$5000.<sup>00</sup>. He says that he gave notice in  
the newspaper of his intention to sell said  
Tile Meill & Shed, and has made diligent  
efforts to sell the same, but that he has  
been totally unable to do so for the  
reason that no one will give the full  
appraised value which he thinks too high.

He says that the Tile Meill is not in  
use and the sheds are going to decay and  
the machinery suffering damage, and he  
believes that it would be to the interest of  
the estate to have said property reappraised  
and he asks an order accordingly.

In the Estate of }  
Abraham Whitensack } Final Report.  
deceased }

Comes the Clerk of this Court and presents the affidavit of James O. Parker, Editor of the Hendrick County Republican from which affidavit it appears that a notice of the filing of a final settlement report has been given in said newspaper for two weeks successively the first of which notice <sup>was</sup> ~~was~~ given on the 15<sup>th</sup> day of March 1883 and the last on the 29<sup>th</sup> day of March 1883. The Clerk also files an affidavit from which it appears that a like notice was posted at the door of the Court House on the 16<sup>th</sup> day of March 1883. And now the final report herein is submitted to the Court for examination, finding, approval and confirmation and after examining said report and being fully advised in the premises the Court doth say and find that said report was filed in this court on the 16<sup>th</sup> day of March 1883 and by an indorsement on said report was set for hearing on the 4<sup>th</sup> day of June 1883; the Court further finds that the Administrator is chargeable with the sum of \$826.<sup>59</sup> and entitled to credit on account of money disbursed as shown by his vouchers herewith in the sum of \$826.<sup>59</sup> The Court finds that the administrator has fully settled his estate and ought to be discharged.

It is therefore ordered, and decreed by the Court that that said estate be and the same is

herely declared fully able, and said Admin-  
istrator is now fully and finally discharged  
from his bond and trust.

All of which is finally ordered, adjudged  
and decreed,
