George T. Strickland, Guardian

deceased, to-wit: David Wilson, represents  
to the Court that in his report of said  
Guardianship this day made, the balance  
shown therein is \$1272.<sup>67</sup>; that said  
money is now on interest at ten per cent.  
per annum, but that when said money  
becomes due he will be unable to loan  
the same for more than 6 per cent. or  
8 per cent at the most. He further shows  
that his ward is now almost grown and  
will follow the occupation of farming.  
He represents to the Court that he believes  
it would be to the best interest of his  
ward and his estate to have the funds now  
on hands belonging to said ward invested  
in Real Estate, so that his ward may  
work the same and learn habits of in-  
dustry.

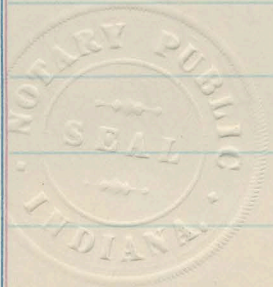

And he asks the Court to make an order  
that the Guardian may lay out the money  
now in his hands, to the best advantage,  
in the purchase of Real Estate for his ward,  
said purchase to be made subject to the  
approval of the Court.

be 7 feet wide and 14 feet long, which  
real estate has an annual rental value of  
\$34.<sup>00</sup> but that no rents are coming into his  
hands as the entire proceeds are necessary for  
the support of himself and wife.

The Guardian further shows that the estate

of the ward is indebted to George T. Strickland, his grandfather, in the sum of \$130.<sup>00</sup> for money paid by the said George T. in liquidation of a note and mortgage on the Real Estate of the ward, and to save a foreclosure of said mortgage and sale of the land. The estate of the ward is also indebted to the Guardian for his services ever since he has been Guardian, and for court expenses and attorney's services altogether now amounting to about \$60.<sup>00</sup> or \$70.<sup>00</sup>.

The Guardian further shows that in order to liquidate the indebtedness of said estate of said ward it will be necessary to sell some of the Real Estate of said ward for that purpose. He further shows that there is no house on the Real Estate of his ward, but that he now has an opportunity to sell eight acres of the Real Estate above described, for a house and lot adjoining the Real Estate above described and enough money to liquidate the ward's indebtedness, thereby paying his debts and securing him a home,

And he asks an order of the Court to sell of his ward's Real Estate the following: Eight acres clear across the north end of 34 acres off of the east side of the following described lands: 47 and  $\frac{80}{100}$  acres off of the east side of  $W\frac{1}{2}$  of  $NE\frac{1}{4}$  Section 7, Township 15 North in Range one East except a small piece of ground near the north east corner of said land, around three graves

supposed to be 7 feet wide and 14 feet long;  
the point asked to be sold being 36 rods East  
and west and  $35\frac{1}{2}$  rods north and South,  
in Hendricks County, Indiana.

Recd June 8<sup>th</sup> 1882 of Abel Stricklan Guardian  
of David Wilson minor heir of George W. Wilson  
deceased, the sum of One hundred and twenty  
dollars, occurring as follows; The said Geo. T.  
Stricklan says that the said David is his Grand-  
child and he was his former Guardian, and served  
as such since the 26<sup>th</sup> day of Oct. 1867; that the father  
of said David died when he was 18 months old and  
his mother died when he was about four years old  
and the said David lived with him in his family as  
one of his family since he was three weeks old; that  
he never charged any thing for his board or care and  
keeping. He further says that in 1879, (a considerable  
sum of money having accumulated from pensions  
due the said David) he applied and procured the order  
of this Court to invest the said David's money in  
Real Estate and that Voucher No. 5 was one of the  
unpaid purchase money notes for said Real Estate;  
that when he had paid out all the money belonging  
to said ward on said note there was still a balance  
of \$130<sup>00</sup> due on said note as shown by the com-  
putation of Joseph B. Korman on said note; that in  
order to save a suit on said note and to save the land  
of his ward off from sale, he advanced the money out  
of his own pocket and paid said note amounting  
to \$130<sup>00</sup>, which sum is now refunded to him  
by the Guardian, without computing any interest  
thereon from the day the same was paid to date.
