

SENIORS

This, our fourth and final year, has been the climax of all our activities. Numbering one hundred and sixty-nine, our class has been a distinguished group.

When the class was organized, James Pickering was elected president; Junior Van Zant, vice-president; Helen Hudson, secretary, and Charles Graves, treasurer. Our class colors are purple and orchid, and our class flower is the Premier Rose. The class motto is, "Take Life as you find it, but don't leave it so."

Thus ends the happiest and yet the most difficult time of our lives. We leave with a sense of work well done, and a grateful thought for the opportunities of the modern world and modern education.
