

# TEACHERS AND SCHOOL OFFICERS

---

*Of Kosciusko County, Indiana*  
*1918-1919*

---

Thou must thyself be true  
If thou the truth wouldst teach;  
Thy soul must overflow  
If thou a soul wouldst reach;  
It takes the heart's overflow  
To give the lips full speech.

Think truly and thy thought  
Shall the world's famine feed;  
Speak truly and thy word  
Shall be a fruitful seed;  
Live truly and thy life  
Shall be a noble creed.

---

Teaching is essentially a matter of inspiration, a matter of giving the vital touch, and has been more clearly expressed in the words of the great teacher, "I am come that you may have life and that you may have it more abundantly."
