

## INDEX TO SMITHVILLE YEARBOOK PHOTOS, CLASS PHOTOS AND ALUMNI LISTS

### Preface

It is said that the first school in Clear Creek Township was taught near the old Woodward homestead about 1822. This was a short distance south of the present Smithville, Indiana. By 1836 there were three schoolhouses in the township and the length of each term was about three months.

On May 10, 1894, the Bloomington (IN) World published news of two schools in Smithville with 34 pupils enrolled above the third grade. Less than a decade later, in 1909, a high school was added. The first senior to graduate was Maude Harrell in 1913. She was the only individual in her class.

The first school yearbook for Smithville schools, was published in 1937. It was fondly named the *Searchlight* except for the last two yearbooks, after the high school students were gone, which was called *Skibos*. After that, until the school closed in 1974, a yearbook was published most years except a few when the world was at war or recovering from war. No yearbooks are available for the following years: 1941, 1943-1946, and 1950-1951.

This index includes more than 23,000 records of *identified* photos from all known yearbooks, framed senior class photos substituted, when available, for missing yearbooks and lists of alumni from 1913-1936 included in later yearbooks. You will note some variation in names for single individuals, e.g., Billy, Bill, William and William Ray. Additionally, because the editors of the yearbook were only human, there are occasionally what appear to be typos and most yearbooks were not paginated. If there was any question about the spelling of a name, it was entered in the database exactly as shown.

Scattered copies of the *Searchlight* are available at the Monroe County Public Library and the Monroe County History Center in Bloomington. The most complete set of yearbooks, however, is available at the Red Men Hall Museum and History Center in Smithville. Typically, Red Men Hall is open the first Monday of each month from noon until 4 PM and on the second Saturday from 10 AM to 4 PM. It is, however, suggested that dates and times are verified in advance of a visit as it is sometimes necessary to modify the schedule. Contact information is available online via a blog identified as [SmithvilleNowandThen](#).

# Index to Smithville Yearbook Photos, Class Photos and Alumni Lists

Name	Yrbk Date	Page	Grade/Faculty	Notes
