

M. S. Mahan

The Superintendent

Mr. Mahan has guided Martinsville High School very efficiently through many years. He has seen it grow in enrollment from three hundred and eighteen in nineteen twenty-one to nearly eight hundred and forty at the present time.

Under Mr. Mahan's supervision many new departments have been created and others have been enlarged. Even during the recent years of depression Mr. Mahan has enabled the school to maintain its high standards.

The Principal

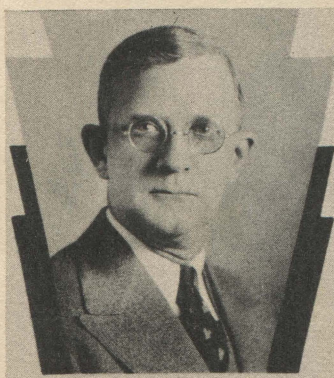

Mr. Curtis has made a great success as principal of our school. He commands the respect and admiration of all who know him. He administers justice with a firm hand but in such a way that it really does not seem like punishment.

In addition to his job as principal, he is also the coach of our basketball team. He has achieved well earned fame in this field and is one of the leading coaches in Indiana.
