ANNOUNCEMENT

To the Public:

The Orange County Fair was unselfishly undertaken by those interested in the general welfare of the people of Orange County and surrounding territory. Those acting as officers and serving on committees do so voluntarily and without pay, with the object in view of conducting fairs or exhibits for the promotion of the interests of all concerned. Also to advance boys' and girls' 4-H Club work and award premiums therewith and to otherwise promote and encourage the improvement of soils, tillage, crops, stock and poultry breeding, methods of planting, cultivating and harvesting of crops to aid industry and industrial life, community welfare, household industry and other activities connected with rural life. The Association was organized in 1948, under the name of the Orange County Fair Association.

It is the aim of the board of directors of the Orange County Fair Association, which is sponsoring the Orange County Fair, to so conduct its affairs as to merit the praise, deserve the assistance and receive the encouragement and support of the citizens of Orange County.

We take this opportunity to express our appreciation to all our friends who have assisted us in any way towards establishing the Orange County Fair.

HORSE PULLING CONTEST

Object of the Contest:

1. To determine the sustained maximum pulling power of each team. The value of draft animals depends upon their ability to pull and their capacity to endure sustained effort.
2. To demonstrate the value of type, soundness, and good breeding in the selection of work animals.
3. To demonstrate the proper method of training and conditioning work animals for severe work.
4. To encourage horsemanship in fitting harness and in driving.

RULES

1. The light weight contest will be held at 8:00 P. M., CDST, Wednesday August 2, 1951.
2. The medium weight contest will be held at 6:30 P. M. CDST, Thursday, August 3, 1951.
3. All entries must be made with the Committee Chairman. No exhibitor's ticket required.
4. Horses or mules, purebred or grade, may be entered. Stallions, mares, or geldings are eligible.
5. All pulling teams must be weighed before 7:30 p. m. on the day of contest in which they enter. Weighing will be done on Heise Bros. scales, Paoli. All equipment will be subject to the approval of the contest committee.
6. Drivers are especially cautioned against allowing their teams to lunge into a pull. Teams must start from tight tugs.
7. Only one man is permitted to hold a team at their heads. Teams must not be led into a pull.
8. Continued violation of rules, after warning from the judges, automatically disqualifies a team and the owner relinquishes any claim for a prize.
9. The official pull or distance shall be a continuous forward movement for 27½ feet. Pulls for shorter distances shall not be used except to determine winners when two or more teams fail to pull the full distance.
10. A team shall be given a total of three trials to move any load the full distance.

CONCESSIONS AND COMMERCIAL EXHIBITS

1. Each concessionaire or exhibitor must confine himself within the space assigned to him. No goods to be offered for sale outside of concession stand or exhibit excepting where stipulated in contract.

2. No ground will be allotted for booths, stands, swings, tents, etc. until the fee for such ground has been paid in full. This will be enforced to the letter.

Grounds for privileges that are available will be disposed of at reasonable rate to be designated by the Exhibit and Concession Chairman.

3. Peddling of any nature within the grounds or on the grounds is strictly prohibited, except by a written permission of the secretary. Failure of the concessionaire to obey this rule subjects him to forfeiture of his privilege without reimbursement.

The Fair Board will decline and prohibit the installation of any exhibit or concession not approved by them. Distribution by the exhibitors of any printed matter, souvenirs or other articles shall be restricted to within the space occupied by their exhibit or concession and no exhibit may be so high along the front of the booth as to exclude the view of the adjoining exhibits from visitors passing through the aisles. Throwing souvenirs, loud shouting, or any unnecessary noises to attract attention will not be permitted. No radios, phonographs, public address systems or musical instruments are allowed to operate during the Fair (except by special permission specified in contract).

4. Novelties must be passed on by the board of directors before being brought on the grounds. The sale of objectionable articles is prohibited at all times.

5. All advertising on the grounds shall be under the supervision of the board of Directors. Tacking of signs in the grounds and to trees on the grounds is strictly prohibited.

6. Gambling and the sale or use of intoxicating liquors is strictly forbidden within the board's jurisdiction. Also no immoral shows of any kind will be allowed. Violators of this rule will be ejected from the grounds.
