WRITING AWARD

The Indiana Genealogical Society may bestow the Elaine Spires Smith Family History Writing Award (which includes \$500) to the writer of an outstanding article that is submitted to either *Indiana Genealogist* or IGS Newsletter. Submitters need not be members of IGS. To be eligible for consideration for the award, the article must be at least 1,000 words (or a series of articles on the same topic that totals 1,000 words). Abstracts, transcriptions, indexes or other forms of genealogy data are not eligible for consideration. Articles must be submitted by December 31 of each year, and the winner will be recognized at the IGS annual conference in April. Multiple submissions are welcome. The IGS Publications committee will judge all eligible entries and make a decision about the winner. IGS reserves the right not to bestow the award in a particular year.

INDEX

This is an every-name index to Volume 19 (issues published in 2008). Issue 1 (March) contains pages 1–50; Issue 2 (June) contains pages 51–100; Issue 3 (September) contains pages 101–150; and Issue 4 (December) contains pages 151–200.

Entries are indexed by last name and then first name. If a reference was to an individual and a first name or a last name was not included, we have used the notation [--?--] to stand for the missing element. If a reference was to a family rather than an individual, only the last name is indexed. People who do not use surnames are indexed in the [none] section.
