

Indiana Genealogy Digitization Project Application

[Submit this page or Download form and complete, using what additional space is required.]

Date:

Applicant Society Name and Address:

Does your group prefer to host an IGS workshop for the project? Yes No (Delete extra)
If yes, include a contact name and email address for IGS to make arrangements.

Name and Signature of Society President/Head Administrator: (Signing indicates formal application and approval of the commitment.)

Name and Signature of group representative who will accept delivery of the equipment:

Notes:

1. Go to the IGS website and open the databases tab to see a representative group of appropriate databases.
2. Databases can be submitted as they are completed, which IGS recommends.
3. IGS reserves the right to separate submitted databases for size and format necessities.

Questions may be submitted to the IGDP Administrator at rdarrah@att.net.
